CHEATING RESERVE

Bitter Root Lorest Reserve in Montana and Idaho.

PRESIDENT MODIFIES ORDERS

Issues a Proclamation Providing that Certain Lands Heretofore Excluded From Settlement May be Settled Up on Under Certain Restrictions.

Helena, Mont., June 3.—Governor Joseph Toole has received a copy of the proclamation of President Theodore Roosevelt modifying a former proclamation creating the Bitter Root forest reserve in Montana and Idaho. The proclamation is dated at Washington, May 22, and it provides that lands in Montana which had been excluded from settlement and which are therein restored to the public domain shall be open to settlement from the date mentioned, but shall not be subject to entry, filing or selection until 90 days after notice by such publication as the secretary of the interior may prescribe. The president's action is based on the law approved June 4, 1897, authorizing him to reduce the area or change the lines of such reserves. The proclamation states that the change is made for what the president considers the public good.

TEAMSTER'S STRIKE

Jury Returns Number of Indictments Against Offenders.

INDICTMENTS FOR PERJURY

Statute of Limitation has Run Against Charges of Bribery Preferred by President Shea and Grand Jury Could not Return Any Indictments.

Chicago, June 2.—Indictments connected with the teamsters' strike have been voted by the Chicago grand jury and will be returned in Judge Barnes' court tomorrow. The names of the men indicted could not be ascertained today. It is reported, however, that bills would be voted in connection with the charges made by President Shea of the teamsters' union that he was offered \$10,000 to call a strike against Sears, Roebuck & Co., but it was found that the statutes of limitations barred any indictments and the evidence given was largely hearsay.

It was rumored that some indictments would be based on a charge of conspiracy to injure the business of a number of large concerns and it was also said that some indictments would be found for perjury. There was nothing definite, however, in any of these statements.

Will Be Appreciated.

Mr. Gervutz, manager of the Star theater, returned from Seattle yesterday. Heretofore it has been the custom to allow some of the actors at the Star to go to Seattle on Sunday night, sitting down the program at the local theaters. This has been done away

with and hereafter the same performance will be given on Sunday night as is given on every other night of the week. Tonight the entire company will appear and will be an opportunity for the people of Astoria to witness one of the best performances that has characterized the house during the week. The efforts of Mr. Gervutz to cater to the demands of the public will be appreciated and no doubt the Star will be crowded tonight.

CINCINNATI DERBY

Foteman Won from Hambright in the Letonia Derby.

ALICE ROOSEVELT A VISITOR

Miss Roosevelt was the Guest of Congressman Longworth of Cincinnati and Cheered the Winning Horse When he Passed the Club House After the Race.

Cincinnati, June 3.—Before the largest crowd ever seen at Letonia race track and in the finish that looked like a dead heat, The Foreman won the Letonia derby from Hambright today. The first two finished ten lengths in front of McClellan, a 11 to 10 favorite in the race. The race was a mile and a half and net value \$5,850.00. Time 2:58.

The attraction today, out side of the derby, was the presence of Miss Alice Roosevelt. She was the guest of Congressman Longworth, of Cincinnati, and society turned out en masse to greet her. She was among those who cheered the derby winner when he passed the club house encircled in a floral wreath. Governor Beckman, of Kentucky, and staff, besides many notables, were present.

Rheumatism, gout, backache, acid poison, are results of kidney trouble. Hollister's Rocky Mountain Tea goes directly to the seat of the disease and cures when all else fails. 35 cents at Frank Hart's drug store.

WHERE IS APACHE

Fears Entertained for Safety of Sailing Yacht Apache.

ALL OTHER YACHTS ARRIVE

The Yacht Has not Been Sighted or Reported Since May 22 When she was Reported by Steamer Columbia and Friends are Anxiously Waiting News.

New York, June 3.—Friends of Edmund Randolph of the New York Stock Exchange, owner of the bark-rigged auxiliary yacht Apache, which sailed May 17 in the race for the German emperor's cup, are beginning to express fears for the racer's safety. All the other boats have finished and the Apache has not even been sighted since she was last reported by the steamer Columbia May 22.

In the Apache's course, less than 500 miles to the eastward, was a field of icebergs through which the little Fluer de Lys and some of the other yachts passed in safety.

The Apache was well supplied with small boats, life rafts, and provisions.

Besides Mr. Randolph she had on board Royal Philips Carrol, Ralph N. Ellis both well-known yachtsmen; Stuyvesant LeRoy, R. Burnside Potter, W. Gordon Fellowes, Joseph Harriman and Dr. Watson B. Morris. The crew numbered 33.
