PORTLAND MARKETS

Latest Quotations in the Portland Produce Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, June 16.—Hop speculators are commencing to worry over the probability of a severe decline in the market. This is the result of the buyers displaying no inclination to purchase at the present quotations. Butter piles up along Front street although 20 cents is the top price asked. In the potato market old stock is fast disappearing. No more Minnesotas or Colorados will be imported this season. If appearances may be accepted as a criterion New Oregon potatoes will force out the California product. Among the butchers and stockmen prices are exceedingly low.
