Mayor Surprenant and Assistants Make a Canvas of the City and Induce Many Citizens to Subscribe to Fund For the Annual Regatta,

Over three thousand dollars have been raised for the annual regatts, and it is expected that the total will reach \$3,500 by tonight. Mayor Surprenant and one or two assistants yesterday made a canvas of the city interviewing several merchants who had not been seen by the former committee and succeeded in increasing the total subscriptions from \$2,435 to \$3,290. Fred Brown, Robert McLean and Charles Gray were appointed a sub-committee yesterday and they started out to interview all the clerks, teamsters and other employes and succeeded in raising over \$200. The Astoria & Columbia River Railroad, through J. C. Mayo, subscribed \$250 which, with the amounts heretofore subscribed, was sufficient to give a regutta, and it is expected that the committee will meet today and organize and outline the plans and appoint sub- committees.

The people of Astoria are to be congratulated upon the success of the regatta and great credit is due the gentlemen who took up the matter after the committee had given up and pulled A. J. McCormick, of San Francisco, the affair through. Following are the
