

North Shore Doings

The Week Across the River by Our Staff Correspondent

Long Beach, Wash., Aug. 3.—The Washington beach has witnessed a continuous season of gaiety during the past week. Numerous excursions and picnics, as well as several formal indoor gatherings have served to offer appropriate diversion for the summer population, which is now at its height, from a numerical standpoint.

The dance at The Breakers Saturday night was one of the most successful functions of the season. The coming week will doubtless be a busy one, as August is considered the best month of the year among seashore devotees who unfortunately have but short vacations, and consequently reserve them for this propitious time. Naturally a big exodus from contiguous cities is expected and everyone is putting forth some effort to handle the guests comfortably.

Quite the most important people at North Beach this week were the wards of the juvenile court, who were encamped near the rocks below Seaview. They were taken for drives and entertained in so many ways it is greatly to be feared that all the little boys in Portland will turn "bad" in the hope of becoming wards of the court. Tuesday, the guests of the Sea Croft invited the 25 small offenders to a daintily served luncheon, and needless to say the invitations were accepted unanimously and with alacrity. In a delicious luncheon Mrs. H. W. Corbett sent goodly quantities of ice cream; Mrs. Thomas Menzies of San Rafael gave each boy a box of candy; Mrs. William McMaster provided watermelon, and the Misses Robertson donated boxes of nuts.

Remembering that they were Portland boys, and, therefore, each was probably an authority on baseball. Mrs. McMaster kindly supplied baseballs enough to go round.

There was much sorrow in camp of these youngsters when the end of the week brought the termination of their head.

allotment, and they were obliged to return home and make room for the next delegation.

W. O. Nisley, who had charge of the boys, deserves great credit for his excellent work in their behalf. Those who composed the first contingent were: Frank Wong (Chinese), Harlow Brackett, Earl Scott (colored), Emmet Summers, Tom Summers, Lisle Young, Eddie Fitzgerald, Vance Knapp, John Dominick, Lawrence Fenley, Earl Rainey, Herbert Straub, Stanley Cobb, Roy Allison, Carlton Johnson, Oscar Lund, Michael Schut, Edward Brackett, Elmer Stone, William Pottage, Everett C. Rainey, Joe Looney, West Fenley, Peter Schut, Henry Kildau, Vern Allison, John Stone and Mitchell Allen.

Miss Cenith Robertson's birthday was appropriately observed by her friends at the Sea Croft Friday evening. A large bonfire was built in front of the "wickie-up" where seats were reserved for the guests. The ice cream and cake were served, after which some time was spent in toasting marshmallows and telling stories. Those present were: Miss Cenith Robertson, Miss Belle Robertson, Miss Mabelle Williams, Miss Menzies, Mrs. Williams, Mrs. Percy, Mrs. James Lotana, Mrs. Percy and Mr. and Mrs. J. Campbell.

Mrs. Isam White entertained Thursday afternoon for Mrs. S. Ehrman of San Francisco and Mrs. George Fox of Cincinnati.

Bridge and "500" were played. Following light refreshments were served. The cottage was beautifully decorated with the greens which grow in such profusion along the coast.

Among the diversions of the week was a sailing party from Nahcotta to Oysterville, aboard the yacht White Wings; a launch party from Bay Center to the Toke Point oyster beds, and countless bonfires and trips to North beach brought the termination of their head.

ADVISES REPAIRS.

Street Superintendent Suggests That Attention Be Given Adair Drain.

At the last meeting of the Common council a petition was presented from the residents of East Astoria, asking for repairs to the Adair drain. The matter was referred to Street-superintendent J. F. Kearney, and yesterday he filed with Auditor Anderson his report, which will be submitted to the Common council next Monday night.

The report states that the expense of making the necessary repairs will be about \$250, in addition to the lumber that may be required. He also calls the attention of the council to the importance of the drain and the necessity of its completion before the winter rains set in. On account of its being on sliding ground repairs will have to be made immediately in order to insure its stability.

GIRL STRUCK DUMB

Bolt of Lightning Robs N. Y. Woman of Voice.

THOUGHT TO HAVE DROWNED

Search Instituted to Recover Body—Discovered Wandering About Streets Suffering from Aphasia—Cause Is Accredited to Lightning Bolt.

New York, Aug. 4.—Thrown into a fit of aphasia by a flash of lightning last Sunday, Josephine Donahoe, of Brooklyn, was found last night wandering about the streets of Huntington, L. I. many miles from her home in Brooklyn. Meantime the police of Prospect Park have been dragging the lakes for her body and a general hunt about the city had been instituted.

Miss Donahoe, who is 38 years old, was listening to a band concert in the park when the storm suddenly broke. A flash of lightning struck a tree nearby and the woman, leaping from a bench where she sat with her father, ran shrieking through the park. She was soon lost and a constant search during four days produced no trace of her.

How she reached the Long Island town is a mystery. From what can be learned the woman ran through the park in a the downpour of rain, boarded a trolley car and later changed to a steam train which carried her far from the scene where she had been struck.

FIVE TEAMS COMING.

"Laddies" Will Journey to Participate in Astoria Horse Tournament.

Fred Brown, captain of the Astoria horse team has received several letters the past week making inquiries about the tournament during the regatta. Two teams have promised to come, Oregon City and Portland, and yesterday Captain Brown received a letter from the Vancouver, B. C. team agreeing to come on certain conditions.

The committee will no doubt acquiesce in the conditions. This will make five teams that will visit Astoria during the regatta and participate in the tournament.

DEMONSTRATION OF VALUE AT FISHER'S OPERA HOUSE.

Large Audiences Hear About Walter Baker Products and Taste Them.

For some days past Miss Elizabeth K. Burr has given two lectures each day at Fisher's opera house, her subject being one of interest to all housekeepers, namely, "The Preparation of Walter Baker & Co.'s Famous Chocolate and Cocoa in Many Forms." To add strength to the discourse and to encourage those present in the use of the Baker Co. products, cakes, puddings, meringues, ice cream, souffles, etc., etc., were served at each lecture free of charge, and, last night, among other things, ice-cold cocoa seemed to receive a particularly hearty welcome when it went the rounds. Sample cakes of chocolate and sample cans of cocoa were given away in addition.

The lectures, which were well attended, will be continued for two days longer, as announced in their large ad in another part of this paper. Demonstrations are very effective advertising adjuncts to any newspaper and magazine campaign planned, as is evidenced by the large attendance at these lectures.

Miss Burr, Mr. A. M. Dow and all others with the party deserve much credit for the excellent display of the Walter Baker & Co. products made at Fisher's hall.
