HAIR TELLS CHARACTER.
Color of Hair Said to Indicate a Person's Temperament.
Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.
"Destroy the cause—you remove the effect."
Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

CHINA RESPONSIBLE

All Negotiations on Chinese Exclusion Act Discontinued.

GOVERNMENT IS HELPLESS

The United States Government Notifies China That All Discussion on Chinese Exclusion Is Ended Until Boycott Is Stopped China Held Responsible.
Pekin, Aug. 19.—It is learned here upon good authority that the American government has notified China that all negotiations for a new convention to discuss the Chinese exclusion act will be discontinued until the anti-American boycott is stopped, and has also given notice that China will be held responsible for any loss sustained by reason of the boycott.
The Chinese authorities state that they will take energetic steps to stop everything of an illegal or disorderly character, but that they cannot stop the boycott.

STEAMER ATHOS OVERDUE.

Engines Crippled and Drifting With the Tide When Last Heard From.
New York, Aug. 19.—No news has yet been received from the British steamship Athos, now long overdue at this port from Southern waters, and much uneasiness is being felt for the safety of the vessel. When last heard from the ship was drifting with crippled engines about 450 miles to the eastward of Jacksonville, Fla. That section of the ocean is the most frequented one, and there are hopes that if the crew have been unable to effect repairs one of the many vessels which sail those waters will fall in with the cripple and give her a tow to the nearest port.
Besides Captain Dolison and his crew of 27 men, there were also on board the ship when she put out from Port Antonio, Jamaica, for New York, James A. Donald, Jr., the 14-year-old son of the owner, and one of his schoolmates, from Brooklyn. If no word is received within the next few hours, it is expected the navy department will send out a vessel to search for the Athos.

FOUR ARE DROWNED—PROPERTY IS DESTROYED.

Cloudburst in Southern Missouri Creates Havoc.
Joplin, Mo., Aug. 19.—Four people were drowned and property valued at \$200,000 was destroyed as a result of a cloudburst today at Southwest City, in the extreme southern portion of Missouri.
For several hours the water was ten feet deep in the streets of the city and the inhabitants were all forced to flee to high lands.

Public Is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair ave., Columbia, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at Chas. Rogers' drug store. Price 50c.

SENATE PASSES BILL.

Havana, Aug. 18.—The senate today passed a bill for the appropriation of \$800,000 for the payment of three years' interest on the bonds of the Van Horn railroad.

CLEAN THE STREETS.

Efforts are being made by Street Superintendent Kearney to have the city streets cleaned and all obstructions, such as wood, boxes, etc., removed before the regatta, and in his efforts he should

be assisted by every man, woman and child in the city, for if there is any one thing that will favorably impress the thousands of people from all over the Northwest who will be here during the regatta, it will be clean streets.

LEASE LOT TO CITY.

Mayor Surprenant was in receipt of a letter from the O. R. & N. company yesterday, which was to the effect that the company would lease the lot just east of their roadway to the city for the purpose of erecting a fire engine house for the sum of \$5 a month.

The lease, the letter said, would be executed for a term of ten years and the proviso that the engine house should be erected five or six feet from the company's roadway was included.

IMPROVEMENT COMPLETED.

The improvement of Franklin avenue, on the turn by the Clatsop mill, is about completed and the street will be opened today. This was a very hard piece of work to put in as it is all on a curve. Contractor Dill, whose firm has this improvement, and also that of Exchange street abutting on Franklin avenue, says that work will at once be commenced on Exchange street and rushed through.

IN DURANCE VILE.

James Dunn was arrested Friday night for attempting to navigate on the high seas, minus a compass. Dunn had called at several ports and taken on a fair cargo. This shifted, and to make his condition worse he lost his bearings. When picked up he had a slight list to starboard.

Regatta Notes

For All, and All For Astoria.

The Boys' brigade has adopted the following regatta yell, for use while in Portland:

Here we are,
Here we are,
Who are we?
Why, A. A. R.
One for All, and All for Astoria.
Admiral Brown of great renown is now in town.
One for All, and All for Astoria.
Choose your partners for the Punkin quadrille at Farmer Scully's dance.

Meet me on the regatta boulevard. They say such things and they do such things on the boulevard.
One for All, and All for Astoria.
No, miss, Admiral Brown is not the leader of Brown's band. That's a Brown of a different town; but both Browns are well done.
Princess Sacajawea, we salute you!
One for All, and All for Astoria.
Chairman Charles E. Gray and associates of the regatta ball committee will decorate Astor hall tastily, but simply.

A man in Victoria, B. C., wants to come here during the regatta and give an exhibition of walking upon the water in front of the grandstand. But he wants too much.

One for All, and All for Astoria.
Say, don't forget to decorate your building; \$40 first prize, \$20 second prize, and besides that, show our visitors something.
One for All, and All for Astoria.
Chief "Suro Mike" Concomley is in training still. He quietly took the train for Seaside yesterday.
One for All, and All for Astoria.

The Norwegian Singing society will wear regatta ribbons while in Portland attending the great gathering of Norwegian Singing clubs in Portland next Friday. The badges are of white ribbon with the words, "Come to Astoria Regatta, Aug. 29, 30, 31," printed in blue ink.
One for All, and All for Astoria.

Mayor Surprenant suggests that while "One for All, and All for Astoria," is a good motto all the year around, that it would be appropriate during regatta week to say: "Fun for all and all in Astoria." The mayor is wise.
One for All, and All for Astoria.

Judge Bowby is giving an exhibition of energy and loyalty which should be emulated by some our younger men. You're the right quality, Judge. By your fruits and vegetables they shall know your work.
One for All, and All for Astoria.

It is suggested that a shoot the chutes be built near the grandstand so that the boys may have a little fun and entertain the people on the grandstand at the same time.
One for All, and All for Astoria.

Secretary Johnson is proving himself the ideal secretary, forever working and forever smiling. The editor is growing fat on your good humor, Freddie.
One for All, and All for Astoria.

And Treasurer Dunbar. He is the real, genuine, 18-karat goods. You'll weigh less, but know more after this regatta, Bert; and all the rest of the boys, not a knocker in the bunch; our work will be over in two weeks, but the good fellowship just started among us will last for years.
