A UNIQUE BADGE.

Chief Foster is in receipt of a beautiful badge from some member of the Order of Eagles, now in session in Denver. The top of the badge is an eagle resting on a miner's pan, from which is suspended a burro, loaded down with a miner's outfit. The whole is highly suggestive of the state the grand lodge is meeting in and is highly prized by Mr. Foster.

PROMINENT PORTLANDERS IN CITY

D. C. Freeman, secretary to President Goode of the Lewis and Clark exposition; C. F. Swigert, former manager of the Portland Consolidated railways, and A. F. Fuller, the present manager of the Rose City's electric street railway system, were in the city yesterday. On his return home, Mr. Freeman was joined by E. B. Davison, chief of the department of admissions of the big fair.

THE LAND OF DAHLIAS.

Several years ago Mrs. C. F. Lester planted about half an acre to dahlias on the tidelands near Warrenton and they have grown and multiplied until it is one of the loveliest flower beds in the country and are worth going miles to see, and there is no spot on earth where flowers grow in such perfection as they do in the gardens about Warrenton.

WATER WAS LOW.

Both the Nahcotta and Potter experienced some difficulty yesterday in making their trips. While crossing the mud flats near Sand Island both boats churned mud from the river bottom, and on her up trip the Potter labored so fears were expressed among her passengers that she would hang up on a flat for the night.

DOING GOOD WORK.

County Commissioner W. G. Gray of South Bend is in the city. Mr. Gray is chairman of one of the best boards Pacific county has ever had and is composed of Messrs. Gray, Moorhead and Predenburg. They have been in session the greater part of the month as a board of equalization and have labored hard to get an equitable assessment.

COLONEL ADAIR HURT.

Colonel John Adair of Sunnymeade had the misfortune to fall off his mowing machine Saturday and sprained his back. Dr. Fulton drove over yesterday and fixed the colonel up, and reports he will be out in a few days.

MANY FISHERMEN OUT.

Roughly, more than 2,000 fishboats left the city last night for their respective grounds. They presented a remarkable sight which was eagerly drunk by the itinerant thousands bound for Portland on the night boats.

ASTORIA TEAM WINS

West Astoria Team Takes Both Games from Cathlamet.

SCORES 8 TO 7 AND 7 TO 6

Higglebothor and Painter Make Star Plays for Home Team—Dr. Buckell Does Splendid Work for Visitors—McDerrick's, as Umpire, Satisfactory.

The double-header between the West Astoria and the Cathlamet baseball nines in the championship series of the lower Columbia River league was pulled off yesterday at the A. F. C. grounds.

The game was called on time with Jackson at the bat for Cathlamet and Higglebothor in the box for Astoria. The first three innings proved to be a series of one, two, three and out, for the locals, while O'Brien, McDermot, Scarborough, Jackson and Buckell evidently found the local twirler to be easy picking as they pounded him all over the field and came in with almost clocklike regularity.

In the fourth inning the locals braced up and held their own somewhat better, bringing Morton in for the first tally.

In the fifth inning Higglebothor, with two men out and two bases full, made the best play of the game by sending a long drive to right field that landed him home in a walk and adding three more much-needed tallies to the local side of the score card.

Innings six and seven were anybody's game with Cathlamet to the good, but in the eighth the locals forged ahead owing to poor fielding of the visitors and remained in the lead to the end, winning by a score of 8 to 7.

The second game commenced after a rest of about ten minutes with Higglebothor at the bat for Astoria. He was struck on the finger by the ball, which, after hitting his finger, bounded up and struck him on the lip and forehead, and though badly hurt pluckily remained in the game, making the first tally for the home team.

Grove was then substituted for Higglebothor in the pitcher's box and from that time on until the seventh inning, when the game was called off on account of the lateness of the hour, it was a case of anybody's game, with Astoria winning out on errors with a score of 7 to 6.

Although the visiting team was defeated it was more luck than science from a spectators' standpoint, as they put up a good article of ball and more than one would have liked to have seen them win at least one of the games. As it was, they proved themselves to

be a gentlemanly lot of young fellows, and though it is a case of "Astoria for the Astorians," we predict that when the season ends it will find the Cathlamet aggregation pretty near the top of the heap.

Dr. Buckell did good work in the pitcher's box for the visitors, fanning out seven men in the first game and eight in the second, while Higglebothor did yeoman's work for the local team with 11 shutouts to his credit.

The score card shows only one strike-out for Grove, yet he pitched a good game and was there with the goods every time.

Morton, for the home team, and Thurston, for the visitors, both did good work behind the bat. Morton especially deserving credit for several pretty plays.

With the exception of a few errors, the ball was well fielded at all times. Painter's neat handling of a double play being as pretty a piece of work as one could wish to see on the diamond. McDerrick, as umpire, gave general satisfaction.

Taking it all in all, it was a good game played to a good crowd by good teams and well worth seeing in every respect.

The line up was as follows:
 Astoria—Higglebothor, pitcher; Morton, catcher; Crowe, center field; Carlson, second base; Graham, shortstop; Wilson, right field; Darragh, first base; Babcock, left field.

Cathlamet—Buckell, pitcher; Thurston, catcher; Elliott, center field; Jackson, second base; Brignon, shortstop; Ballagh, right field; McDermott, third base; O'Brien, first base; Scarborough, left field; sub, Watkins.

CHURCH NOTES.

This is the season when the 10-cent shows put out standing room signs, while the attendance at the churches is at a very low ebb, as those that usually go to make up the congregations of the various churches in the city are away on pleasure bent either at the Seaside or in the mountains, and possibly a few at the exposition, and if anyone had cared to verify the old saying that "everybody follows the crowd," they could have easily done so by dropping in at the various churches last night.

Of four churches visited last night, at none was the attendance over 50, the highest being at the First Congregational, while at one it was as low as 30.

This should not be, for without exception the musical program at each church was excellently rendered and with such speakers as the Rev. Luther D. Mahone of the First Congregational, on "Christian Success Through Difficulty"; Rev. Lyman J. Trumbull of the First Baptist, on "Mutilating the Word of God," and Rev. W. H. Layson of the First Presbyterian, on "Symrna, Ephesus and Constantinople," every available seat in their respective churches should have been filled regardless of the fact that many of the regular congregations are absent.
