GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mannell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 5c. in stamps for sample. The Herpicide Co., Detroit, Mich.

RUIN IS COMPLETE

Minnesota Is Visited By Terrible Storm.

LIVES AND PROPERTY LOST

Railroad Tracks Washed Away—Crops Are Destroyed by Enormous Hailstones—Numerous Accidents Occur and Many People Missing.

St. Paul, Minn., Aug. 22.—Devastation, terrible and complete, was wrought on all sides of the Twin Cities by the storm of Sunday night, according to reports just received here. Through all the region from Anoka to Fillmore counties reports tell of disaster and loss of life and property.

Members of families are missing, and it is believed they are buried under the debris, which was strewn broadcast by the wind. Many instances of maiming are reported and the total loss of life will not be known for some days.

Crops which had been cut and were ready for threshing suffered in many places and standing corn was damaged by hail and wind. Hailstones several inches in circumference worked havoc with the crops in some sections.

Large sections of railroad tracks were swept away south of here and the mail trains on certain portions of the Chicago, Milwaukee & St. Paul road were run yesterday on improvised tracks, making slow time on account of the enforced insecurity of the roadbed. Washouts were numerous, both along the railroads and in the highways, the rainfall being enormous.

In some of the farming localities the grain was stripped from the stalks, even in the shocks, by the furious wind and rain and haystacks were completely demolished. Huge trees, which have successfully withstood the storms of years, were uprooted and hurled before the wind, and barns and other outbuildings were completely destroyed. The damage done to buildings and crops in the southern counties will reach many thousands of dollars, but no accurate estimate can be formed until complete reports are received. All sections report that the storm was cyclonic in its nature and from some points reports tell of a funnel-shaped cloud that descended with the most intense fury, leaving destruction in its path.

WOULD BEAT HIS FATHERS RECORD

President's Son and Companions Hunt Bear in South Dakota.

Chicago, Aug. 22.—A dispatch to the Tribune from Deadwood, S. D., says: Kermit Roosevelt, Stanley Bullock and Paul Martin in the case of Capt. Seth Bullock and the guides, Burt Tilley and Will Hardin, left here last night for a 10 day's hunting trip. The three lads are about the same age.

Kermit Roosevelt was the recipient of much attention here and talked good naturedly with everyone he met.

"If I can only get a bear," he said "my highest ambition is to beat my father's bear slaying record, but I scarcely expect to do that."

WOODWORKERS STRIKE SETTLED.

Twenty-three Thousand Men Return to Work on Compromise.

Chicago, Aug. 22.—The strike of the Wood Workers was settled yesterday by the strike will return to work in the twelve plans involved. The settlement is in the nature of a compromise.

The wood workers struck for an increase in pay of 2 cents an hour and by the three years contracts which was entered into yesterday they are to continue at the old wages, 28 cents an hour for a period of two years. At the beginning of the third year the cabinet makers and machine hands are to receive an increase of 1 cent an hour and the finishers 1 1/2 cents an hour. The closed shop agreement will be maintained and the contract expires July 1, 1908.

WILL HANDLE CROWD

Grand Army Committee Have Systemized Plan.

GREAT PREPARATIONS MADE

Plans are Completed to Handle Record Breaking Attendance at the Thirty-ninth Encampment of the Grand Army of the Republic at Denver.

Denver, Col., Aug. 22.—with the near approach of the date of the thirty-ninth national encampment of the Grand Army of the Republic—Sept. 4—the local committees announce that they have a thoroughly systemized plan perfected for handling the thousands who will come to Denver.

They declare that the coming encampment will break all previous records for attendance and some estimate the probable number of visitors at 100,000. All the churches in the downtown districts, school buildings, halls, and vacant store-rooms have been engaged as meeting places and headquarters and a canvass of the city has resulted in pledges of all available rooms in private residences for quartering the guests. This in addition to the many hotels and rooming houses insures accommodations for all. A new feature in encampment has been inaugurated by the Denver general committee. All visiting bands, drum corps, etc., that place their services at the disposal of the committee will have their quarters and meals provided free of charge. The committee insists, however, that ample notice of intent be given and that in notifying the Grand Army headquarters here of their prospective visit to the encampment, musical organizations state the number of pieces, time of arrival, etc.

FEWER MUSICIANS IN ORCHESTRA

Theatre Managers Cut Down Size of Orchestra to Get Even.

Chicago, Aug. 22.—An agreement on the part of downtown theater managers to cut down the size of orchestras that was uncovered shows that every downtown theater had laid off from three to five orchestra players.

Many musicians were of the opinion that the action of the theaters in reducing their orchestras, was in retaliation for the decision of the players several days ago to charge \$2 for each man for full performances exceeding eight in number each week.

EX-PUGLISIT ARRESTED.

Accused of Stealing Purse Containing \$340 From Stranger.

New York, Aug. 22.—A man giving his name as Yank Kenny a formerly well known pugilist was arrested last night in Brooklyn, charged with stealing a purse containing \$340. The man who lost his wallet identified one found on the prisoner but said he could not positively identify Kenny as the thief. The pugilist was locked up for the night.

WOULD END RATE WAR.

Roads do Not Like Cut in Western Grain Rates.

Chicago, Aug. 22.—A meeting will be held in this city today for the purpose of trying to effect some sort of a settlement of the grain rate war. There is no desire on the part of the majority to engage in a ruinous rate war on the threshold of the crop season that promises to break all records in the west. But the Chicago Great Western claims that no satisfactory and lasting peace agreement can be reached unless all lines unite in abolishing elevator allowances. The other roads already have declined to abate this allowance.

RECHRISTEN WARSHIPS.

Imperial Navy Department Rechristens Captured Russian Ships.

Tokio, Aug. 21.—The imperial navy department has rechristened the captured Russian warships as follows: The Peresviet has been named the Sagami; the Poltava the Tango; the Bayan the Aso; the Pallada the Tsugaru and the Varyug the Soya.

Tonka, the usual cheat for vanilla, costs one or two cents for a certain amount; Schilling's Best vanilla a dollar.

One is strong; the other is fine. One is rank; the other is delicate. Nevertheless four-fifths of "vanilla" is tonka. The 50 cents accounts for it.

Regatta Notes

One For All, and All For Astoria.

We'll have strangers in our midst

Looking out for fun.

Let us show them we are men

Pulling all for one.

For no strangers will decide

To make another call

Unless we show them we are men

Pulling one for all.

One for All, and All for Astoria.

The Boys' brigade has adapted the following regatta yell, for use while in Portland:

Here we are, Here we are, Who are we? Why, A. A. R.

One for All, and All for Astoria.

Admiral Brown of great renown is now in town.

One for All, and All for Astoria.

Choose your partners for the Punkin quadrille at Farmer Scully's dance.

Meet me on the regatta boulevard. They say such things and they do such things on the boulevard.

One for All, and All for Astoria.

No, miss, Admiral Brown is not the leader of Brown's band. That's a Brown of a different town; but both Browns are well done.

Princess Sacajawea, we salute you!

One for All, and All for Astoria.

Chairman Charles E. Gray and associates of the regatta ball committee will decorate Astor hall tastily, but simply.

One for All, and All for Astoria.

A man in Victoria, B. C., wants to come here during the regatta and give an exhibition of walking upon the water in front of the grandstand. But he wants too much.

Say, don't forget to decorate your building; \$40 first prize, \$20 second prize, and besides that, show our visitors something.

One for All, and All for Astoria.

Chief "Sure Mike" Concomley is in training still. He quietly took the train for Seaside yesterday.

One for All, and All for Astoria.

The Norwegian Singing society will wear regatta ribbons while in Portland attending the great gathering of Norwegian Singing clubs in Portland next Friday. The badges are of white ribbon with the words, "Come to Astoria Regatta, Aug. 29, 30, 31," printed in blue ink.

One for All, and All for Astoria.

Mayor Surprenant suggests that wails "One for All, and All for Astoria," is a good motto all the year around, that it would be appropriate during regatta week to say: "Fun for all and all in Astoria." The mayor is wise.

One for All, and All for Astoria.

Judge Bowly is giving an exhibition of energy and loyalty which should be emulated by some of our younger men. You're the right quality, Judge. By your fruits and vegetables they shall know your work.

One for All, and All for Astoria.

It is suggested that a sheet the chutes be built near the grandstand so that the boys may have a little fun and entertain the people on the grandstand at the same time.

One for All, and All for Astoria.

Secretary Johnson is proving himself the ideal secretary, forever working and forever smiling. The editor is growing fat on your good humor, Freddie.

One for All, and All for Astoria.

And Treasurer Dunbar. He is the real gemine, 18-karat goods. You'll weigh less, but know more after this regatta. Bert; and all the rest of the boys, not a knocker in the bunch; our work will be over in two weeks, but the good fellowship just started among us will last for years.
