## FAMOUS ECONOMY FRUIT JARS

One of which, together with a Booklet of Recipes, will be given with each 25-cent or higher want ad. inserted in either The Daily or The Sunday Astorian.

What Mr. Fred Dresser has to say about the ECONOMY JAR: Kerr Glass Manufacturing Company, Portland, Oregon. Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years. The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty-five gross. We believe that within a few years they will be the only jar in use; first, because the quality of the jar far exceeds all others; second, the jar is sanitary, having a wide mouth, therefore easily cleaned. The cover is as sanitary as the glass itself, while the cover on many other jars are made of zinc, which produces poison when in contact with fruit and vegetables. The absolute certainty of every ECONOMY JAR sealing makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours, F. DRESSER & CO. By F. Dresser, Pres.

## CHRONIC SORES

Wheeling, W. Va., May 28, 1905.  
Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 13 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.  
JOHN W. FUNDIS.  
Care Schmulback Brewing Co.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all in purities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write us and our physicians will advise without charge. Book on Diseases of the Blood free.

The Swift Specie Company, Atlanta, Ga
