A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time. It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide. Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

SEAL ROOKERIES ARE RAIDED

San Francisco, Aug. 28.—An effort to get up an expedition to go in search of the sealer Carmencita is being made in this city and several mariners have been approached and asked to join the party. It is not the intention of the organizers of the expedition to hunt down the much-sought-after vessel in order to bring the poaching sealers to justice. It is their purpose to find the vessel, warn her skipper of his danger, it is said, and then see that the captain and crew get far away from danger of capture by the federal authorities.

Chief Forester Investigates Situation at Quinalt Reserve.

Hoquiam, Wash., Aug. 28.—Gifford Pinchot, chief of the United States forestry service, is making a trip over the Quinalt Indian reservation for the purpose of assuring himself of conditions in the reservation and of the justice of eliminating the agricultural lands of the Quinalt valley and reservation from the forest reserve.

Mr. Pinchot came to Hoquiam direct from the lumbermen's meeting in Tacoma. He was accompanied by Frank H. Lamb and Harry Linder, and was the guest over night of Hon. George H. Merson. The party left Hoquiam Saturday morning for Humptulips, and from there journeyed on horseback to Lake Quinalt, where they spent Sunday, and from there went down the river by canoe to the Indian agency. F. R. Archer has gone to the reservation to begin the allotment of lands, and now has a party of surveyors at work.

Minister Rockhill Reports Agitation in China Is Subsiding.

Washington, Aug. 28.—Of particular importance to the Southern cotton-spinners and weavers is the announcement by Minister Rockhill today that the Chinese boycott on American piece goods is about to be lifted. Cabling from Peking, the minister says that his information is to the effect that the anti-American boycott, as a whole, is gradually subsiding. The Chinese merchants at Shanghai dealing in piece goods are strongly opposing the boycott and taking steps which Minister Rockhill believes are likely to break it so far as piece goods are concerned.

New York, Aug. 28.—Pushcart peddlers, to the number of several thousand, who threatened, a few days ago, to strike and deprive a large east side section of its fresh vegetable supply have now decided to try moral suasion against the city authorities and forego a strike.

The several unions met yesterday and took this course. They decided to begin by appointing a committee to call on the mayor in an effort to have withdrawn a regular number of peddlers' licenses now in the hands of small store-keepers and to secure other reforms affecting their business.

NO MORE SERVANTS FOR OFFICERS
