The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalps of these same men once become infested with dandruff germs, the parasites would multiply, and the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. Send 25c. in stamps for sample to The Herpicide Co., Detroit, Mich.

GUILTY OR NOT GUILTY

No Charge Against Hazen But He Pays Bill of Costs.

In the eyes of Justice Goodman's court, there is no case against Captain M. S. Hazen, charged with assault on Michael Lambert, and yet he is guilty of the offense. The charge against him was dismissed yesterday forenoon, but in spite of this fact he paid the court a bill of costs which amounted to \$6. Mr. Hazen is now beginning to wonder why he paid a bill of costs if there was no charge against him, and it is possible that he will demand the return of his money.

According to Mr. Hazen's story, he was arrested for his offense at the order of Chief Hallock, and allowed his liberty on the payment of \$20 bail. This he deposited, and appeared before Police Judge Anderson, but was told there was no charge against him before that court. He was leaving the police judge's office in a quandary, when he was met by Constable Utzinger, and a brother Oddfellow, he related his trouble to the constable.

This, it appears, was the first constable knew of the case, and as soon as he parted from Mr. Hazen, he is alleged to have gone to St. Mary's hospital, interviewed the man whom Hazen assaulted, and then hurrying to Justice Goodman's court, and there swore to a complaint charging Hazen with the offense. The \$20 bail money was then transferred from the police station to the justice court. There Hazen appeared, and while no warrant was served on him, he was asked to appear yesterday afternoon for trial.

In the meantime Hazen met his adversary on the street, and it appears their trouble was mended. Hazen referred to his arrest but Lambert maintained that he had not taken steps toward having his adversary prosecuted, and that he knew nothing of the affair. Further, he said, he would not appear to testify against the man who had attacked him.

Hazen, it appears then went to the justice court, and after stating the determination of the prosecuting witness, to not testify, was told that there was no case against him. He then asked for the return of his bail money, but was informed that the costs of the court would have to be paid. He finally agreed to accept the \$14, his original bond money, less \$6 costs.

Justice Goodman takes a little different view of the affair. He states

that Hazen and Lambert came to the office together, and that he informed Lambert that if the case was dismissed that the costs would have to be paid. The justice alleges that Hazen then poked up, saying that Lambert had no money, but that he (Hazen) would pay him instead.

NEWPORT POSTOFFICE

Senator Fulton Has Filed His Recommendation in the Case.

Late yesterday evening, at the behest of the federal postal department authorities, U. S. Senator C. W. Fulton, named F. H. Lane in the matter of the appointment of a postmaster at the Newport, Oregon, postoffice.

There were three other candidates for the place, namely, Mrs. Marie Chatterton, L. O. Olsen and M. Fritzmaurice, and an active contest for the plum. The senators' selection of the proper person for the office will probably close the question, for a while, at least.

SURVEY IS FINISHED

List of Lands in Hawaiian Islands Filed at Washington.

NEARLY ALL IS UNDER LEASE

Orders Have Been Received From Washington for Establishment of Three Branch Postoffices in Honolulu—Attorney General Andrews Resigns.

Honolulu, Oct. 10., via San Francisco—A complete survey of the public lands of the territory has just been finished by the survey department and the land office has made a list of the lands showing that in all the islands there are 1,719,160 acres of government lands. Of these nearly all are under leases, mostly to sugar plantations. The islands which are not under lease aggregate 400,800 acres.

Orders have been received from Washington for the establishment of three branch postoffices in Honolulu. There has been only on general office up to this time.

A. W. Pearson, manager of the Hawaiian Gazette Company, publishers of the Daily Advertiser, is dead after a long illness. He was a native of Milwaukee, born in 1858, and had been prominent in local business and public affairs for many years.

Lorin Andrews, attorney general of the territory, has sailed for Shanghai and will probably settle there. His resignation is in the hands of Governor Carter. E. C. Peters, first deputy of the department, is in charge of the office.
