HANDSOME BALANCE ON HAND

Every Legitimate Bill Has Been Paid and There is Money and Material on Hand—Comprehensive Report of Committee Covers Every Detail of Event.

Astoria, Ore., Oct. 1, 1905.—To Our Fellow Citizens: The Eleventh Annual Regatta and Industrial Exhibition has found a page in history, and in closing that page, we must not forget your support and encouragement.

Nothing could have prompted us to neglect our families, our friends, and our business except the emergency our city was in.

Thousands of strangers were within this state, and to let them depart without acquainting them of our existence as a live community, and with our splendid resources, would have been almost a crime.

Time passed on, and no one seemed to care. In this emergency our Honorable Mayor, J. W. Suprenant, as a last resort, called a mass meeting of citizens, at the court house, when, by a unanimous vote, a committee of twelve was chosen to undertake the task.

Such a command could not well be disregarded.

The difficulties were great, the task seemed almost hopeless, but with the assistance of the city press, the latent spirit of the people was aroused and within twenty-five days after the subscription lists were out, the Regatta was held, the Farmer's Fair was inaugurated, a marine procession of unusual splendor was seen, the street parade, the various aquatic and land sports took place, and everybody had a holiday.

Every legitimate bill is paid, and a good sized balance of cash is on hand beside the material for a grand stand and other properties generally used during a regatta.

While the committee labored day and night, and has received the generous recognition of the people, let it be not forgotten that after all, the people—all of the people—are the ones to be congratulated, because above every other consideration, we have learned that in order to succeed we must be, and we are—ONE FOR ALL AND ALL FOR ASTORIA.

Very respectfully, your obedient servants.

HERMAN WISE, President. FRED JOHNSON, Secretary. ALBERT DUNBAR, Treasurer.

Eleventh Annual Regatta Subscribers.

We herewith annex a detailed statement of all the receipts and disbursements of the moneys entrusted in our hands. The balance on hand is deposited with the Astoria National Bank:

MADAME NORELLI.

Mme. Jennie Norelli, prima donna soprano who appears in grand concert at Logan's hall next Wednesday night, is fresh from a five-year tour in Europe and the east, having recently taken leading parts at Convent Garden, London, and the Metropolitan Opera Company, New York. Her unqualified success at the Philharmonic and Queen's hall promenade concerts and her four years' engagement at Convent Garden, brought her speedily into prominence and to be compared by critics as an equal to Melba and other great singers. In December Mme. Norelli returns to England to fill an engagement with one of the greatest musical organizations of Europe. Mme. Norelli was educated at the Royal Conservatoire of Music, Stockholm.

Large table listing various businesses and their contributions to the regatta, including W. C. Laws, Seaside Bakery, Central Hotel, Astoria Grocery, etc.

WHEN YOU THINK OF A BLOOD PURIFIER THINK OF SSS

The Most Popular and Widely-Known Blood Purifier GUARANTEED PURELY VEGETABLE

This is the season that tests the quality of your blood, and if it is not good, then evidences of it will begin to show as the weather grows warmer. Carbuncles and boils, pimples and blotches, and numerous itching and burning skin eruptions will make their appearance, and are sure indications of bad blood. If spring-time finds you with impure, sickly blood, then you are in poor condition to withstand the strain upon the system which always comes at this time of the year.

Swift's Specific, The Great Blood Purifier. I have used your S. S. S. this spring, and found it to be a blood purifier of the best order. My system was run down and my joints ached and pained me considerably, and I began to fear that I was going to be laid up with Rheumatism.

Springfield, Ohio, May 16, 1903. On two occasions I have used your S. S. S. in the spring with fine results. I can heartily recommend it as a tonic and blood purifier. I was troubled with headaches, indigestion and liver trouble, which all disappeared under the use of a few bottles of your great blood remedy, S. S. S.

mineral, but is composed exclusively of vegetable ingredients, selected for their medicinal properties and gathered from nature's store-houses—the fields and forests. The thousands who have used S. S. S. and know from experience what it will do in blood troubles, do not need to be reminded of a blood purifier now, for they know no better can be found than S. S. S.
