Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, Oct. 30.-Dressed veal is the only commodity on Front street that is considered over abundant. Large calves are being received by almost every commision house, and besides these, large quantities of veal are sent direct to retail butchers from the dairies adjacent to Portland. Prices have dropped for the best qualities, while the larger sizes can hardly be gotten rid of at all.

Some carcasses are being placed in cold storage, but this is not a profitable move, as veal does not do well under the chilling process, and soon decays on its withdrawal from cold storage.

"All the dairymen of the adjacent country see manxious to get rid of their they don't seem to care hat the product bings in the city. We have repeat edly urged them to hold back their veal until the present surplus is disposed of, but they still continue killing their calves and sending them in. We cannot give satisfactory returns to the shippers because of the slump."

Light demand and light supply still rule in the fruit markets. Some Southern Oregon and California grapes come in by express and are held for good figures ,but the grape season is considered virtually over and few buyers ap-

Good apples are scarce, and high also, and there are few receipts of the inferior qualities.
