Dr. D. A. Sanburn

FRENCH SPECIALIST.

The King of Cures

In Time of Peace.

In the first months of the Russian-Japanese war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared to successfully combat the first cold you take! A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by Frank Hart and leading druggists.

Failurg-"Oh, George I don't think that new safety razor of your amounts to anything at all."

"Why not, dear!"

"Because I tried to use it today, and I couldn't do anything with it."

"What were you tryin to do with it?" "I was only trying to sharpen a peneil and it wouldn't cut a bit"-Milwaukee Sentinel.

Man's Unreasonableness.

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Reublican" of Levenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble, "Instead," he says, "we coneluded to try Electric Bitters. My wife was then so sick she could hardly leave ROCKMEN WANTED AT BUNKERher bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household a ties." Guaranteed by Charles Rogers, druggist, price 50c.

A Sure Guage.—"Do you judge a man by his clothes !"

What Mr Fred Dresser has to say about the ECONOMY JAR:

What Mr Fred Dresser has to say about the ECONOMY JAR:

Kerr Glass Manufacturing Company.

Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years.

The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty five gross.

We believe that within a few years they will be the only jar in use; first, because the quality of the jar far excels all others; second, the jar is sanitary, having a wide mouth, therefore easily cleaned.

The cover is as sanitary as the glass itself, while the coverr on many other jars are made of zinc, which produces poison when in contact with fruit and vegetables.

The absolute certainty of every ECONOMY JAR sealing makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours,

F. DRESSER & CO.
