Odds and Ends Begotten of the Campaign-Slush Fund Underway to Open the Town Wide-Mr. Foard's Status-What People Say and Think,

It strikes the ordinary thinking citizen of Astoria that the Astoria Daily Budget has had a radical change of heart since it fell all over itself commending Sheriff Linville and others, last June, upon the success attained in closing down the nastly limits of open vice in this city, and congratulated itself from noxious depravity. It is now alligned with the Democrats and their trailers in an effort to open up the city again. Of course the Democrats begin the sales of property in Clatsop have not avowed themselves for an open County under the delinquent tax law, on town in so many words; it is not their style, nor policy. The purpose of such a fund is guessable. The Astorian will have more to say about this.

> A. S. Tee will file his acceptance of the Republican nomination for the city surveyorship, in due season. He appreciates the endorsement of the Democrats, and their followers, of course, but he is a Republican first.

Don't dispute your title, gentlemen! It is the Democratic party that is in the non-partisan saddle, and it is held there by the sustaining hands of the sore-heads.
