FAIL TO GET SCORE

West Astorias Do Not Cross Commercial's Goal.

THE SCORE IS KEPT DOWN

One Sided Occurs on Local Gridiron Between the West Astoria and the Commercial Club Teams—Commercial's Play Fine Football.

Yesterday afternoon the Commercial's defeated the West Astorias at football by a score of 16 to 0. The game as expected was one sided in that Commercial's had everything their own way, but the stubborn defense put up by the West Astorias, kept the score down materially.

In the first half Commercial resorted entirely to punting and forced West Astoria to kick on every third down. Carlson, who did the kicking for West Astoria surprised everyone by his pretty work, getting his kicks away quickly for 35 and 45 yards. Commercial scored in this half when Painter fell on the ball behind West Astoria's goal line after a fumble. Tully kicked the goal making the score 6 for Commercial.

The second half was featureless on the part of the Commercial, though their team work, weight and speed was irresistible. West Astoria could not withstand the fierce attacks and their line was crumbled and fell away, but the youngsters were there with goods and fiercely contested every yard. Commercial succeeded in scoring twice, neither touchdown being converted into a goal, making the final score 16 to 0.

For West Astoria, McConron at right end played a star game. Carlson, Stine and Marion also played exceptionally well; but the tackling of Jurich, West Astoria's quarter was the particular bright feature of the game.

Needless to say the whole Commercial team played very fine football, but not

as hard and fast as would be necessary against a heavier team. Blair was in his old position at fullback. Outside of tackle plays end runs were used almost exclusively and always netted gains. Tully tried twice for a drop kick from the field, but failed in each attempt. The line up follows:

Commercial	West Astoria
Blair	Marion
Gammal	Belland
Goddard	Larson
Sutton	Hill
Minard	Stine
Tully	McConron
Mathena	Jurich
Graham (Capt)	Carlson
Painter	Crow
Blair	Wikkala

Officials—Watson (Ft. Stevens) referee, G. H. Ohler, umpire. Time of halves, 20 minutes. Touchdown, Painter, Blair, Goddard, Goal Tully.

THANKSGIVING GAME

Interesting Contest Expected Between Commercial's and Soldiers.

On Thanksgiving day the biggest football game of the local season will take place between the Commercial and Fort Stevens teams. For weeks past the Ninety-third company eleven has been working diligently to get in shape for the contest, and Lieutenant Cooper, who has charge of the squad, telephoned last evening to Manager Sovey that he expected to bring over a winning aggregation.

Commercial realizes that it will be a hard game with the soldiers and Coach Abererombie will have his men at work every night. Yesterday's practice game with West Astoria was of much benefit to the team and by Thanksgiving day the men will be in good shape. The

There are ginger worms and red-pepper bugs—queer boarders—that have to be looked for, not in Schilling's Best, but in making it. There are eggs of these queer boarders, too small to be killed by grinding. Don't keep spices warm, or they'll hatch.

statement was made last night by an enthusiast from the post that friends of the soldiers would be prepared to back their team, and even money will rule in the betting.

At the Thanksgiving day game, and, for that matter, every other game in which Commercial takes part everyone except substitutes, coaches, managers and press representatives will be required to keep off the field. Persons purchasing tickets to the game will receive from the gatekeeper a second ticket entitling them to admission to the grandstand. Every spectator must go into the grandstand, and the bleachers will not be in use. Absolutely no exception will be made to this rule. The management is determined that those who pay to see the game shall not be prevented from doing so by persons who are wont to crowd upon the field, and the game will not be begun until the field is cleared. So Thanksgiving day spectators may make up their minds to proceed to the grandstand.

The line-up of the Commercial team for the big game Thursday afternoon will be as follows: Center, Bay; guards, Gammal and Goddard; tackles, Sutton and Minard; ends Tully, McConron and Mathena; quarterback, Graham, (captain); halfbacks, Painter and Higginbotham; fullback, Blair. The soldiers lineup will be announced tomorrow.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kans., writes: "My husband lay sick for three months. The doctors said that he had quick consumption."

We procured a bottle of Ballard's Horehound Syrup, and it cured him.

That was six years ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c, and \$1.00. Sold by Hart's drug store.

Bilious Attack Quickly Cured.

A few weeks ago I had a bilious attack that was so severe I was not able to go to the office for two days. Failing to get relief from my family physician's treatment, I took three of Chamberlain's Stomach and Liver Tablets, and the next day I felt like a new man.—H. C. TWO GOLD MEDALS AWARDED THE MONARCH

At the Lewis and Clark Exposition

Two Gold Medals awarded the Monarch at the Lewis and Clark Exposition, the first and only time this range was ever shown at any exposition.

No grand prizes were offered, but the Jury on stoves and Ranges voluntarily manifested their high esteem of the Monarch Range by writing the letter reproduced here. Several gold medals were awarded different Range and Stove manufacturers for various things--the Monarch received two. But it remains for the Monarch alone to receive the unqualified endorsement of the Jury, as is evidenced by this letter.

Mr. J. S. Rogers,
c/o Malleable Iron Range Co.'s Booth,
Manufactures Building,
Lewis & Clark Fair, Portland.

Dear Sir:

I am in receipt of your letter of thanks and appreciation in receiving the gold medal, (highest award) on Monarch Malleable Ranges.

It may please you to know, as the jury, awarded the gold medal on first ballot and had there been any higher prize offered, the Monarch Range would certainly have received it.

We found the Monarch the best finished and best constructed Range with more special features than any other Range on exhibit.

Jury on Stoves and Ranges

J. S. Rogers
P. J. Kalligour

This Demonstrates beyond the shadow of a doubt the superiority of the Monarch over all others. No other Range or Stove exhibited was, in the opinion of the Jury equal to the Monarch.

Pages of matter in praise of this Range could not speak as convincingly as does this letter, written by men of undisputed judgment and knowledge.

An examination of the MONARCH Range at our store will prove to any one the justice of this verdict.
