IN A MOMENT OF SANITY LUNATIC BEGS FOR DEATH

Implores Attending Surgeon to Kill Him If Unable to Permanently Restore His Reason.

Ann Arbor, Mich., Dec. 2.-Restored President Attributes Wanton Act from what seemed hopeless lunacy, to complete sanity, yesterday, by a surgical operation at the University hospital, William Dwyer, in a momentary period of control after being placed on the operating table, begged the surgeon to kill him if it appeared that he would always have to be crazy.

Two years ago in a smelter furnace. ta Portland, Ohio, Dwyer's skull was crushed, by being hit by a steel rail. After an apparent recovery, he became, a month ago, a raving maniac.

In the operation it was demonstrated that his mental trouble was entirely due to an abscess in his brain. This was successfully removed and a silver in the hole that the surgeon had made in the skull

Then the sculp was sewed in place and the patient is well on the way back to his former usefulness. Dwyer is 35 years old and has a wife and two child-
