## POWDER

## -Absolutely Pure-

For the third of a century the standard for strength and purity. It makes the hot bread, hot biscuit, cake and other pastry light, sweet and excellent in every quality.

No other baking powder is "just as good as Royal," either in strength, purity or wholesomeness.

mas demand. Lave meet with the ready sale hoped for, and

prices went to 10c all around. Commission men wwho held out for 11c and 12c were i ndenger this afternoon of having many coops left on their hands.

"It is the old story of poor chicken narket in holiday tims," one dealer said, "and the demand is for geese, tureys and ducks, instead of chickens, which are a staple commodity the year around. There is always more or less trouble in getting good prices for bickens either on Thanksgiving or at Christmas in these times, plways expecting prices to keep up as a result of unusual demand."

As to turkeys, some retailers held off n hopes of a weakening in the price of dressed by noon today, buying only a few to fill early orders. It looks now as though the retail trade would need o replenish its stocks from Front street before tomorrow afternoon, unless there should be a falling off in the number of orders from consumers. As times are considered good, no falling off in the demand is feared.

#### In Praise of Champertain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's cough remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not he !tate to testi to its merits for the benefit of others. It s a certain curs for croup and will prevent the attuck if given at the fir t enperrate e . f disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphries, a well known resident and clerk in the store of Mr. E. Lock, of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to recommend it." For sale by Frank transcontinental lines, passengers are Hart and leading druggists.
