**Mayor Fagan of Jersey City and Senator Colby Speaks to Young Men's Christian Association Advising Them to Enter into Politics.**

NEW YORK, Jan. 22.—Enough members of the Young Men's Christian Association to fill the Majestic Theater yesterday when Mayor Mark Fagan of Jersey City, and Senator Everett Colby of New Jersey, advised them to get into politics. Both speakers, who were introduced as New Jersey's political reformers, denounced political rings in bitter terms.

**Pears'**

My grandmother used Pears' Soap; perhaps yours did, too. We owe them gratitude for that.

Use Pears' for the children; they soon acquire the habit.

Established in 1789.

"I am not a reformer," said Senator Colby, in beginning his speech. "I wish I were. I am only one of a great number of men of New Jersey whom Mayor Mark Fagan has taught to see the relation between decent government and good morals."

"I want you to get into politics. That does not mean holding office. We need a lot of fresh brains in politics to take the place of the dried up and over-trained political minds that never can see the point of the new game. I have followed with interest the proposed change in the rules of football and should like to see the same changes in the game of politics. We need to make the game more open, abolish interference, and do away with coaching from the side lines by the corporations."

"In my opinion the remedy lies in the direct primary and direct nominations, in which the people can take an interest."

Mayor Fagan said among other things: "Too many Christian men stand aside and look with horror and disgust on the existing conditions in our public life a condition for which they are responsible."

"Every man owes it to his country and to his God to take an active part in politics. Join the clubs of your party and don't leave all the work to the political 'Healers' and the 'Crafters'."

"My experience convinces me that the people as a whole are honest. They want their rights but unfortunately they will not always fight for them. I have always been sustained by my belief in the final honesty of the people and that has given me courage to continue."

**ACT QUICKLY.**

Delay Has Been Dangerous in Astoria. Do the right thing at the right time. Act quickly in times of danger.

Bachache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

Plenty of evidence to prove this. J. Carson, employed at the Portland Lumber Company, foot of Lincoln street, who resides at 366 First street, Portland, Ore., says: "I was feeling miserable with a depressing lameness around the small of my back all last summer. At first, I did not pay much attention to it, but I continued to grow worse and finally became so bad that I thought I

would have to lay off work. To bend or move quickly caused severe twinges. I was often attacked with dizzy spells, specks before my eyes and I had no ambition or energy. In the morning I arose as tired as when I went to bed. In fact, I had all the symptoms of a very severe case of kidney trouble. When I was suffering the worst I read about Doan's Kidney Pills and procured a box. I soon noticed an improvement in my condition, and the pain and aching across my back disappeared. About six weeks ago I was laid up with a siege of the grip and for two weeks. Symptoms of kidney complaint made their appearance again and I resorted to Doan's Kidney Pills a second time. They just as thoroughly freed me of the trouble as in the former case. I cannot express what a change they have made in me. I simply feel like a different person."

Plenty more proof like this from Astoria people. Call at Rogers' drug store and ask what his customers report.
