

BIG IMAGINATION**Scientist Predicts Man Will Be Able to Create Life.****BY CHEMICAL PROCESSES****German Professor Says it Will Not be Long Until Man Will Create All Kinds of Animals by Means of Chemicals.**

CHICAGO, Jan. 31.—A dispatch to the Inter-Ocean from New York says:

Man, through his advanced science, may develop into a creator himself. Is the opinion of Professor Wilhelm Ostwald, of the University of Leipzig, in a lecture at Columbia University last night on the results of an attempt to create life through chemical processes.

Professor Ostwald has given careful attention to the experiments of Professor Jacques Loeb, of the University of California and announces with confidence his belief that by slow development science may even create a type of life as high as that of our domestic animals.

The steps will be slow, one form of life will be produced after another and eventually the professor expects something almost akin to man in its physical being may be produced.

"There is practically no limit to what man can do in this direction," he said. "Of course, at first he will be able to produce a piece of protoplasm, something like the water hydra or the resemblance of the sea urchin that Professor Loeb has evolved, but it will be instinct with the real life and will be a step in the new evolution. This evolution can only result in the creation of something the equal of our higher animals, but what it will be who shall say."

"It seems to me that the scientist who does this will be able to determine the physical form of his creation after the development has started and he will have created a new order of life,

this being will multiply indefinitely just the same as all our modern animals.

"I cannot say whether this creation of man will be crustacean, amphibian, mammalian, or whether biped, quadruped, fish, fowl, or reptile. I can only say that after careful study of what has been accomplished I am overwhelmed at the inevitable probabilities. Who knows but a new order of humanity may be created?"

A Healing Gospel.

The Rev. J. C. Warren, pastor of Sharon Baptist Church, Belair, Ga., says of Electric Bitters: "It's a Godsend to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and feel like walking three more. It's made a new man of me." Greatest remedy for weakness and all Stomach, Liver and Kidney complaints. Sold under guarantee at Chas. Rogers' drug store. Price 50c.
