### PORTLAND MARKETS

Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, March 2. Beef cattle are still plentiful and prices rather lower than suit the stockraisers who look to Portland for a market. Quite a number of cattle are being received from up-country day after day, as the stockmen there, who have been feeding all winter, find their hay giving out, and so must sell. Those who have plenty of hay are holding out for better prices, which they expect in April and May.

Fresh pork does not decline as a result of large shipments of live hogs from the East.

Mutton continues firm as a result of scarcity of sheep in condition for slaughter. No decline is looked for.

Veal is more plentiful and a decline is anticipated in the near future.

Coffee Prices Steady.

The receipts in the coffee market in San Francisco are about 50 per cent of what they were up to this time last year. Brazil coffers weakened a little about a week ago, but is now quite strong.
