

Really Good Things to Eat

Are made with Royal Baking Powder—bread, biscuit, cake, rolls, muffins, crusts, and all the various pastries requiring a leavening or raising agent.

Risen with Royal Baking Powder, all these foods are superlatively light, sweet, tender, delicious and wholesome.

Royal Baking Powder is the greatest of time and labor savers to the pastry cook. Besides, it economizes flour, butter and eggs, and, best of all, makes the food more digestible and healthful.

PORTLAND MARKETS

Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, March 9.—Fresh ranch eggs declined by a dozen on front street today, and were considered weak at 15¢. Large quantities came in from the adjacent country, and retailers report plenty on hand for the remainder of the week. Little demand from the North appears, and so the local market alone is dependent on getting rid of them.

Gold storage men continue to wait for still lower prices before putting eggs to bed for the winter. Eggs are down to be a dozen in the East and packers there can put them by and undersell dealers here who would buy at present rates to place in refrigeration.

Fresh eggs are cheaper now than they have been in Portland for two years. Gold storage men in 1904-5 were anxious to put large numbers of cases by in those years, and sold with each other in buying at 16¢ to 17¢ a dozen. These parties now say that they lost money, and will stay out of it until fresh eggs can be bought for 14¢ this spring.
