Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, March 13.—Business is light in livestock lines since the cold weather set in, as shipments have been suspended. Roads have been blocked east of the mountains, and so Idaho Stockmen could ship nothing westward. Prices of beef continue low, however, as a good many arrivals had accumulated before the storm set in, and besides this, the progress of the Lenten season shows a falling off in demand.

Eggs Are Up a Cent.

Eggs advanced by a dozen today on Front street, as a result of cold weather. Stocks in hand were heavy before the freeze up, and shipments from the country have been retarded. Should the weather become warmer in a day or two, prices would drop again, according to most dealers.
