The inside seam should be in a fine with the thumb when the arm is dropped to the side and the palm of

Oysters-Shoalwater Bay, per gallon, the hand is turned to the body. The lining of a coat must be loose in both width and length; not enough, however, to make it from plaits that would be visible from the outside in a water Bay ogsters, per mack, \$4.00; closely fitted coat of lightweight cloth. oysters, gallon, \$2.25; halibut, 7e; black but loose enough to prevent any possicod, 7c; bass, per lb., 18c; herring, 5c; bility of the lining drawing the outside.

When cutting folds it is best to turn the material over frequently to make sure that it is keeping quite bias. The

EMPIRE GREEN WRAP.

least deviation from this rule will mean that the folds will twist when sewed to the material of the gown.

Here is a good way to mend kid stock, 60@80c; long woor, No. 1 butchers' gloves when they are torn or ripped: stock, \$1.00@1.50 each Murrain pelts, First buttonhole stitch around the rent but not so close as in a buttonhole Overcast, taking up the thread of the per lb.; borse hides, salted, each, accordbuttonhole on the edge, drawing the edges together. cording to size, \$1.50; colts' hides, 25@

The coat in the illustration is carried out in empire green cloth. The slightly turned back collar is embroidered in a delicate design in pale green and pink. Down the front is a wide band of Italian filet lace, which also forms the high empire sash and sleeve bands.

SPRING SHIRT WAISTS.

waists brings stiff linen affairs made like a man's negligee shirt, with tucks Coal oil-Pearl and astral oil, eases, straight up and down the back and 201c per gallon; water white oil, iron front. With these waists are worn barrels, 15c; wood barrels, 17tc; extra star cases, 25c; headlight oil, 175 dethe tiniest of ties made in a bow of the grees, cases, 23hc; iron barrels, 17hc. very smallest proportions. These ties may be of silk, velvet ribbon or lingerie (Washington State test burning oils, exquisitely embroidered. except headlight, he per gallon higher.)

Benzine-Sixty-three degrees, cases, gerie blouse is of fine handkerchief lin- beautiful wide ribbon of gold, with en embroidered all over the front in Turpentine-In cases, 89c; in wood broderie anglaise. The slightly puffed barrels, 86c; in iron barrels, 83c; in 10elbow sleeves finish with a deep, tight band of the embroidery, which also iLnseed oil-Raw, 5-barrel lots, 56c; makes the high straight collar.

Richelieu stitch-heavy buttonholed bars defining a motif or placed among designs of blind embroidery-is seen on the handsomest of the imported blouses. Chiffon cloth makes some charming black blouses. Many of them, being

HEADDRESS OF 1880. fitted over a foundation of white silk and other shades, are absolutely dark

in effect. For early spring wear there are light

weight woolens in checks being made up into shirt walst suits.

Embroidered sleeves are another extravagance of the embroidered blouse. the design used on the fronts being broken up in tiny sprays upon the

Belting has superseded the girdle as an accompaniment to the shirt waist. This belt makes a clean little turn at the walst when worn over a jacket. The coiffure liustrated is a pretty

ated jockey cap, is an 1880 effect. It is made of pistache green on the outside and faced with mauve satin. The up-

QUAINT CONCEITS.

Plaid skirts are to be much worn in the spring, with coats of a plain color harmonizing with the dominant tone in the plaid. The skirt is a semicircular 2 shape, with graduated plaits starting from the hips until they arrive at deep 2 folds, which hang loose at the hem.

The severity of a white slip worn under a lingerie biouse may be obvlated

WHITE STRAW OUTING HAT.

by placing the corset cover over the

New short petticoats in white china silk are made for smart trousseaux and have designs in English eyelet holes embroidered on them.

The success of a real Josephine tea gown or evening dress depends largely on the straightness of the corset in front. A curious skimped appearance near the knees is a peculiarity of the gown which on a tall and graceful woman is an acquired taste that has many

It is a noticeable fact that pure white in lace, chiffon, lawn and linen has taken the place of cream shades. As a rule, the former is vastly more becom-

straw. The dome crown is encircled with a band of black velvet. At the indented side of the hat are a couple of services. black and white wings.

LA MODE'S FOIBLES.

For carrying with white cloth or linen costumes there are little pocketbooks and cardcases of white suede decorated with tiny gilt beads. The clasps and corners are of French gilt. Embroidered linen cardcases are also very smart for summer use.

Advanced showings of fine white figured lawns are seen in the shops. The grounds are mostly white, and the design is generally in pink, blue, lavender, yellow or green. These lawns are The first installment of spring shirt deliciously dainty and only cost 15 cents a yard.

Gold valenciennes lace is an exquisite novelty. Both edging and insertion are woven of the gold thread. On a severe embroidered linen turnover collars with tailor gown used as inserted bands and narrow ruffle for the collar this innovation is stunning. A new way of getting a touch of gold
