**FORECASTING** 

Month in Advance.

SUCH IS THE ANNOUNCEMENT

Willis L. Moore, Chief of Weather Bu-

reau at Washington States Depart-

ment Will Shortly be Prepared

for Long Range Forecasting

NEW YORK, March 28. - Willis L.

Moore, chief of the weather bureau at

Washington, announced last night at

the dinner of the Maritime Association

that the weather bureau might soon is-

sue forecasts of a whole month. Mr.

Moore had been joked hard by Rob E.

Hedges when he rose and got permission

"The weather bureau believes that for

the first time in the history of meteoro-

logical science it has within its grasp

forecasting-that is forecasts of the char-

the system will not be adopted for sev-

"It may be possible, and I believe it

fore this time next year what the char-

he had not intended to make this an-

LEAVES FOR HOME.

Leaves New York,

NEW YORK, March 28. - With the

Standard Oil bearing, so far as New

General Hadley of Mi-souri started for

home last night with his assistant. Rush

C. Lake, and Frank Hagerman, the Stand-

ard Oil lawyer from St. Louis. Alfred.

D. Eddy, the Western counsel of the

"I have made my case," said Mr. Had-

that I have proved every allegation con-

tained in the information I filed. When

the case is argued I will ask the Supreme

Court of Missouri to render a decision

which will punish Standard Oil for its

violation of the laws of Missouri in the

past and to impose conditions which will

guarantee that corporation's compliance

with the law's requirements in the fu-

Mr. Hagerman before taking his train

"My friend Hadley has given Missouri

the Missouri attorney-general and I be-

lieve that there is a great future in

store for him. It would be mighty good

attorney-general of the United States.

Mr. Hagerman was not minded to dis-

uss the probable effects of the disclos-

ares which have attended the inquiry.

He said that the corporation would have

evidence to put on the records in its be-

half, and that of the witnesses who have

already testified several will probably be

is Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the WORK Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes," Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPI-CIDE promptly destroys; after which the hair grows. Sold by leading druggists, Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Eagle Drug Store, 351-353 Bond St., Owl Drug Store, 549 Com. St., T. F. to add to his speech already delivered. Laurin, Prop. "Special Agent."

#### FLAMES

THE MORNING ASTORIAN, ASTORIA.

Johnstown Fire Extinguished After Desperate Fight.

\$800,000 ABOUT

Fire Statts Shortly After Midnight and Burns Fiercely for Over Three Hours, Killing One Man and Perhaps Another.

JOHNSTOWN, Pa., Weight 28. For ours immediately after midnight this morning, Johnstown business section was threatened with destruction by tire which was only placed under control after t had burned itself-practically out caused a loss estimated at \$500,000, and the leath of one fireman, William Campbell, who was caught under a falling wall.

At an early hom this morning it was reported that 67. H. Santamoure a telegraph operator for the Publishers' Press Association, was missing. Santamoure was in the office of the Johnstown Journ al which was burned out and after the fire he could not be found. It is reared ne perished in the flames.

The fire broke out in the five story brick building at the corner of Main and Bedford streets, occupied by the Saunk Hardware Company, dealers in mints oils and hardware. The thomes quickly spread through the building and a gen eral alarm was sent in. Every available fireman and every piece of fire fighting apparatus was soon on the scene but de spite firemen's efforts, the fire was soon

Adjoining buildings were soon in flames and considerable apprehension was felt over a quantity of powder that was reported stored in the Swank building There was no explosion, however, al-

though the building was entirely gutted The flames swept on to the three-story the scientific basis of long range weather brick building occupied by Fisher & Co., wholesale liquors, then on to the Wild building, partly consumed the new five-"The details are not yet complete, and story brick building of the Henderson Furniture Company and then leaped to the L. A. Geis building, a four-story furniture warehouse, and also the residence will be, to tell you New Yorkers and of L. A. Geis, where it practically burned members of the maritime exchange be- itself out.

The firemen were seriously handicapped by inadequate equipment and con-Mr. Moore said after the dinner that was thought aid would have to be sum nonncement at this time, but had planmoned from Altoona. This was not nec ned to give it first to the public through essary however, when the flames had swept over the five buildings and died lown in the Geis building, the firemen had the situation in band and it was an nounced that all danger of a further Attorney-General Hadley of Missouri spread of the flames was over-

DISCUSS POLICY.

Traction Affairs in Chicago Being Gone Over by Owners.

CHICAGO, March 28. Practically, evrylarly commeded with the street car ompanies of Chicago is in New York or the purpose of talking over the situaion and figuring on what can be done: t is probable that a traction policy, apdicable to all the lines in the territory of the Chicago City and Chicago Union Traction Companies will be decided upon within a week. President Thomas E. Mitten and John I. Spoor, chairman of the board and John H. Wilson, general counsel of the Chicago City Railway Company: General Counsel W. W. Gurey, and Receiver James H. Eckels of the Publishing Co., in Wild building, \$25,000; Union Traction Company, and H. A. Blair, receiver, and W. J. Calhoun, at torney for the North and West Side underlying companies are expected to be in New York within the coming week. essional men in the Swank and Wild The policy of the companies with relabuildings it has been thus far impossible tion to the city will be discussed and it is possible the management of affairs in Chicago for the two companies will be intrusted to Messrs, Mitten and Gurley, with authority from the financial interests to negotiate with the city for a short term franchise extension on the basis of a united, continuous service between all three sides of the city, with the right secured to the city to buy the property within a short time after its reconstruction by the circumstances,

Doctors Are Puzzled.

The remarkable recovery of Kenneth McIver, of Vanceboro, Me., is the subject of much interest to the medical fraternity and a wide circle of friends. the conference with our committe which He says of his case: "Owing to severe inflammation of the Throat and congestion of the Lungs, three doctors gave me up to die, when, as a last resort, I was induced to try Dr. King's New Dismake no predictions as to what might covery and I am happy to say, it saved my life." Cures the worst Coughs and Colds, Bronchitis, Tonsilitis, Weak For the first time since the strike Lungs, Hoarceness and LaGrippe, Guarscarce began the price of domestic coal anteed at Chas, Rogers' drug store. 50c
