FATAL ACCIDENT.

ABERDEEN, Wash, April 8.- Prob ably a fatal accident occured shortly before the hour of launching the steam schooner Quinault at Lindstrom's shipyard yesterday morning when H John son, aged nine years, while playing on the rail of the boat slipped falling to the ground, twenty-five feet. When a doctor arrived he found that the child was internally injured and its skull fractured. An operation was performed this afternoon. The boy has not recovered consciousness since the accident. He is the son of Charles Johnson, employed at the ship yard.

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

weight."
There was.
Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.
Recent scientific research has put its linger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats

the life from the roots of human hair. Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.
Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

CAUSE A DIVORSE

NEW YORK, April 8-It is learned from those familiar with the combaint for divorce filed in the court of chane-ry by Mrs. Elizabeth Cornish Tilney of South Orange that a Californian woman is named as correspondent. Mrs. Tilney, who is well known in South Orange society circles alleges that there was undue friendship both in Vallejo and San Francisco, California between her husband and a woman named Mary Davell, also known as Alma Davis.

The Tilneys were married in New York in 1900 and went to live in South Orange, where Tilney's father is a promi nent citizen. Mrs. Tilney says that her husband left her in August, 1902. with the intention of travelling *everal months on the pacific coast.
