WEATHER. Western Oregon and Washington—Fair and warmer.

THE SECOND DAY.

The glorious sunshine of the second day of San Francisco's giant struggle against the accumulating forces of untoward fate, brings no relief to the waiting millions of the earth possessed with an abounding interest in the desperate crisis.

THE DUTY OF THE HOUR.

In the political history of the State of Oregon no day has dawned to impose a greater and graver duty upon its electors than comes with this day.

CLATSOP WANTS TO KNOW!

One of the burning questions agitating the people of Clatsop county in this juncture, is, what effect the California earthquake has had on that \$19,500 worth of terra cotta, already paid for, and supposed to be lying in storage at Lincoln, thirty miles northeast of Sacramento, and strictly within the shock-belt?

How early people get around who have kicks to make, and what a time it takes them to come who have compliments to give!

In a search by the compulsory officers in the city school board in Chicago, in the Italian quarters in North Chicago, known as "little hell," for children illegally kept out of the public schools, hundreds were discovered in all sorts of hiding places.

There is no moral support equal to the sincere affection of those whom we honor and respect. The love and admiration of one's friends keeps one striving to live up to the glorious ideal that they have created.

Only the woman who hasn't new furs to wear thoroughly despises winter weather.

The British government owns more than 25,000 camels.

Siam was a cotton producing country 2500 years ago.

Success never comes to a man who is afraid to face failure.

Advertising our afflictions only increases their circulation.

The Church of England has an income of \$75,000,000 a year.

The new remedy for rheumatism is called arthralgonon. It sounds convincing.

Thousands of Women ARE MADE WELL AND STRONG

Success of Lydia E. Pinkham's Vegetable Compound Rests Upon the Fact that it Really Does Make Sick Women Well.

Thousands upon thousands of American women have been restored to health by Lydia E. Pinkham's Vegetable Compound.

Overshadowing indeed is the success of this great medicine, and compared with it all other medicines and treatment for women are experiments.

Why has Lydia E. Pinkham's Vegetable Compound accomplished such widespread results for good?

Why has it lived and thrived and done its glorious work for a quarter of a century?

Simply and surely because of its sterling worth. The reason no other medicine has even approached its success is plainly and positively because there is no other medicine in the world so good for women's ills.

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womankind is not because it is a stimulant—not because it is a palliative, but simply because it is the most wonderful tonic and reconstructer ever discovered to act directly upon the female system, positively curing disease and displacements and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue in Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), weakness, displacements, inflammation, ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of a grippe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a double dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." Sold by Frank Hart and Leading Druggists.

That All Important Bath Room

You have often heard people remark "If I were ever to build, I would plan my bath room first and would not put all my money into the parlor with all its finery." That is good common sense sentiment, for the bath room is the most important of all the household.

We would like to help you plan your bath room and will gladly quote you prices on "Standard" Ware, the best and most sanitary fixtures made.
