Dies at Hospital.—J. Stanhope died yesterday morning at the hospital of consumption. The funeral will occur tomorrow.

Leaves For China.—Chew Sun, who has resided in Astoria for thirty-four years, will leave tonight for Canton, China, his former home. Mr. Sun is manager of the Hong Yick Company in this city.

Mr. Monteith has a splendid baritone voice which he uses excellently. There is one splendid feature of his singing, aside from the richness of his voice, and that is his distinctness of enunciation.—Bellingham Reville.

Hotel Irving—European plan. The only steam-heated hotel in Astoria; large and airy rooms; prices from 50 cents to \$1.50; well prepared and daintily served meals at 25 cents. Special rates per week or month for room and board to permanent guests. Our bus meets all trains and steamboats.

Relief Fund Grows.—Astoria's relief fund is constantly growing and now the sum subscribed is almost \$4,000. The third carload of salmon left this city last night and makes a total of 1907 cases of the product, of 114,800 pounds, something over 200,000 rations, which have already been dispatched. Other supplies will leave here as fast as possible, clothing is being received at the receiving station, and packed for shipment. Among the large amounts which have been subscribed is the \$584.25 which the Chinese in this city have generously contributed. Additional subscriptions received yesterday are: W. E. Dement, \$20.00; F. L. Parker, \$10; Astoria Chinese Association, \$584.25; A. D. Garner, \$2.00; W. T. Catrall, \$2.00; Grace Episcopal Church, \$17.15; C. T. Clark, \$2.50; Ross Higgins & Co., (additional), \$15.00; First Presbyterian church, \$40.00; Rathbone Sisters, \$5.00.

A Firm Foundation.—Messrs. Ferguson and Houghton, the contractors, are laying the pile foundation for the new and handsome home of the Astoria Savings Bank, in good and swift fashion. At six o'clock last evening they had driven the forward tier of thirty piles, each to a depth of thirty-two feet, to bed rock. With such preliminaries, the well known bank will be as solid in an exterior way as it is financially.

Out on the Line.—The work train of the "A. & C." railway left out yesterday morning on its annual duty or re-adjusting the whole line, including the bridges, fills, cuts, and everything that needs attention from Astoria to Portland. A Good Opportunity.—On Thursday evening next, April 26th at St. Mary's Hall at Grand Avenue and Fifteenth streets, there will be rendered an unique and beautiful moving picture presentation of the great Passion Play, under the personal direction of Rev. John Waters. The sacred and realistic beauty of the original loses nothing in the cinegraph except the sound of the human voice, and the imagination and accompanying lecture supplies this. Don't fail to see it.

Ladies—We are now prepared to furnish you with our latest styles of up-to-date dress and street hats for ladies and also for the little misses. Our prices are right. At the Fair Eastern Millinery in the Star Theatre Building. 4-8.

Sixty-Eight Hours Late.—The mails out of San Francisco are sixty-eight hours behind their schedule, and are just beginning to pour into this city. Some of it is in the shape of the now famous "emergency" letters, written on open paper, and despatched just as it was filed in the San Francisco postal box, without envelopes or stamps, but forwarded carefully by the government, just as though it filled the limit of postal requirements.

In Police Court.—Eva Gingham, appeared before Judge Anderson in police court yesterday afternoon on a charge of being drunk. Eva did not deny the charge against her, and she was fined the sum of five dollars, which sum she had not. After a brief argument with the court she was allowed to go on her promise to vend her way hence. For begging on the streets, Thomas Allen, was presented with 20 days labor on the streets. Thomas did not relish his sentence and demurred strenuously to the judge, but in spite of his pleadings was compelled to accept the sentence of the court. William Carlson another of those who had fallen by the wayside, was fined five dollars. William Ford, a gambler, paid \$125 into the city treasury for being allowed to carry on his business.

Fell to His Death.—Andrew Forner, the cook of the tug Lottie, met his death early yesterday morning, by falling from the stringer of the Fisher slip to the deck of the Lottie and fracturing his skull; he was removed to St. Mary's hospital at once and all that medical aid could do for the unhappy man was done, but he never regained consciousness, and died at about 8 o'clock. He was taken thence to the undertaking parlors of Coroner W. C. A. Pohl, and his funeral will be arranged for on tomorrow. Deceased had no family nor relatives in this city, but has two brothers living at a distance, from here. The coroner has decided that no inquest is necessary in the premises. Mr. Forner was well known and sincerely liked among the river men hereabout.

Commits Suicide.—William Layzell, aged 23 years, ended his life yesterday afternoon about 1 o'clock, by shooting himself through the head, just above the right ear, with a .22 caliber revolver. The cause which prompted the youth ending his life, is said to have been despondency over the fact that he was suffering with consumption. The body of the youth was found just West of the family residence on the Hinman tract in a clump of bushes, where he had evidently gone to escape observation. The body was found by some children who were playing in the vicinity, soon after the shooting occurred, but death had been instantaneous. Coroner Pohl was notified and removed the body to the undertaking parlors, where an inquest will be held today. Funeral arrangements have not yet been made.

Claire Monteith has a magnificent baritone voice, clear, true and sympathetic.—Bellingham Blade.

THE NIMBLE COIN.

The nimble coin of the country never does so good a thing as when it supplies a man with a well-cooked and healthful meal of the sort he is hungry for. In this instance is becomes a blessing, and no pocketbook is the poorer for the expenditure; this is why everyone you see coming out of the Palace Restaurant carries such a grateful and satisfied expression of countenance. Just watch for a day or so, and the first thing you know you'll be a steady customer there. It is one of the certainties of Astoria life.

GENTLEMEN, ATTENTION!

Astoria should have a seawall, and as it cannot be bought in Portland or Chicago it evidently must be built here. Now, if the gentlemen of this city would commence to have their clothes "built" in Astoria and become reconciled to having things made at home, they would have no difficulty in building the seawall. E. Martinson, merchant tailor, 149 Eleventh street, will build your clothes from the best that's made to the cheapest that's good.
