PORTLAND MARKETS

Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, May 1, 1906.—Front street merchants report that operations with San Francisco are getting into shape very rapidly. Many of the more prominent firms that lost their warehouses in the fire have established themselves in Oakland and announced that they are prepared to handle shipments from that city. A wire from one of those firms received this morning states that a steamer with a carload of vegetables is about ready to start.

Oregon gardens, especially in the vicinity of Beaverton, are increasing their shipments of green stuff, and while receipts from local markets are not sufficient to supply this market there product, is, of course more desirable than that from distant points.

It is Dangerous to Neglect a Cold.
How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by Frank Hart and leading druggists.
