TERSE TALES OF THE TOWN

Always Welcome.—The army paymaster made his circuit of the posts at the lower end of the Columbia river yesterday paying off the federal forces down that way, much to the satisfaction of the boys in blue.

An Inadvertence.—The Astorian, yesterday morning, in its report of the filing of the suit of John Hahn against the Astoria National Bank, et al., inadvertently used the name of the Astoria Savings Bank as the leading defendant. It was error, pure and simple.

Hotel Irving—European plan. The only steam-heated hotel in Astoria; large and airy rooms; prices from 50 cents to \$1.50; well prepared and daintily served meals at 25 cents. Special rates per week or month for room and board to permanent guests. Our bus meets all trains and steamboats.

Pleasant Anniversary.—The ladies of the Koenigin Louise lodge, the woman's annex of the Sons of Hermann, celebrated the anniversary of their lodge founding on Monday evening, and had the "Sons" in as the guests of the evening, and between refreshments, music and pleasant converse, a jolly time was had by all concerned.

From This Day On.—The Fair Eastern Millionaire store will place its entire elegant stock of dress and street hats and all dainty accessories, before its customers, today, upon a basis of liberal discount from recent prevailing prices. This concession will continue indefinitely, and ladies should avail themselves of the pronounced cut. 5-6-1f.

Grand Army Banquet.—The ladies of the Grand Army in this city intend to give a genuine New England dinner tomorrow, beginning at 11:30 o'clock and lasting all day, at the store-room formerly occupied by Robinson, the furniture man. The meal, which will be of the very best, will cost the modest sum of 25 cents, and a good dinner and a better cause, ought to result in a redundant and gratifying income for the good women at the head of it. Go, everybody! 5-6-3t.

Chrysanthemums, Asters, Heliotrope plants, beautifully filled hanging baskets, etc., at Columbia Nursery Co., 510 Bond street. 5-6-3t.

JOHNSON BROS.

GOOD GOODS.
118-122 Twelfth St. Astoria, Ore.

Preliminary, and Final.—K. J. Hermunstad, of Norway, and Emil Rasmus, of Finland, yesterday filed their declarations of intention to become citizens of America; and Andros Simuloto, of Finland, took out his full and final papers in statutory naturalization.

Recovered and Cremated.—The body of the late J. N. Finch, the venerable father of Dr. A. A. Finch, of this city, was found by the authorities of San Francisco on Monday, in the grave to which it had been assigned during the late trouble in that city, and under the direction of the family and with the comforting aid of friends, was cremated and interred formally and regularly. News to this effect being received yesterday morning by Dr. Finch.

Fifteen Days in Jail.—Joseph Kelley, the man who was so anxious for a jury trial in his case before Justice Goodman, on the charge of assault and battery, was accorded the benefit yesterday, and the case was submitted to the following five gentlemen: Dan Welch, D. Shanahan, Charles Rober, Ed. O'Connor and A. McFarland, who promptly returned a verdict of "guilty as charged," whereupon Judge Goodman, fined Kelley in the sum of thirty dollars, in default of the payment of which, the defendant went to jail for fifteen days.

Run Over and Killed.—Monday evening while Axel Johnson, employed by the Gray's Bay Logging Company, was taking a trainload of logs down the track which has a slight down-hill grade, having just released the brake on the last car his foot in some way slipped and caught in the ties, throwing him backward directly in front of the cars, which passed over him inflicting bruises from which he died fifteen minutes after being run over. The deceased was a native of Sweden and is thought to have relatives in the Willamette Valley. The body was brought to this city yesterday. Arrangements for the funeral have not yet been made.

State Pilot Commission.—The State Board of Pilot Commissioners met in regular session at the office of Commissioner George Nolan yesterday afternoon at 2 o'clock, with Commissioners Sylvester Farrell and George Nolan present with Secretary Bert Ross; Commissioner A. V. Pendleton being absent on account of sickness. There was but little business transacted, several bills being allowed in behalf of the recent repairs to the State Pilot boat, the San Jose. It was hoped by many that the commission would take up the subject of the reported shallowing of the Columbia river bar, but the commissioners evidently desire to accurately acquaint themselves with the exact status before expressing themselves officially on so important a matter.

Starry-Morgan Nuptials.—The Jerome avenue home of Mrs. David Morgan, in this city, was the scene of a very pretty home wedding yesterday afternoon at 3 o'clock, when her daughter, Miss May Morgan, became the wife of Dr. Clark N. Starry, of Coffeyville, Kansas. Rev. Fathers Waters, rector of St. Mary's Catholic church, performed the beautiful rites of that faith, in uniting the happy young people; and Miss Harriet Kinney served the bride as maid. The gonnings of the principals among the ladies were all that perfect taste and exquisite materials could supply, and the fact that the wedding was out on the home lawn, was a unique and beautiful feature of the occasion. Doctor and Mrs. Starry left on the Lurline last evening for Portland and points in the north, and after an extended honeymoon trip, they will reach their Kansas home and settle there for good. After the ceremony there was a reception held and a multitude of friends took the opportunity to extend all manner of happy congratulations and wishes to the newly wedded pair. Among the guests present were: Mrs. Aubrey Garner, Mrs. Austin Osborn, Mrs. D. B. Stevens of Portland, Miss Marie Hine of Hillsboro, Mrs. Edward Lowe, Miss Margaret Higgins, and Mrs. Geo. Hartman of Pendleton. About 100 friends and a ton of rice, more or less, were conspicuous features of their departure.

Done in Probate.—Judge Trenchard yesterday signed an order directing the sale of the real property of the estate of the late Charles Rydquist, of which James Finlayson is the administrator.

In Astoria.—A. P. Leonard, county auditor; H. J. Hubler, county treasurer, and Deputy Surveyor Gibbs, all of South Bend, Pacific county, Wash., were visitors in the city yesterday, and left this morning for Nasel and Deep River, where they intend laying out new county roads for the benefit of the people of that section. The expect to be gone for several days, returning about Friday.

What it Cost Clatsop.—County Clerk Clinton has figured the actual and legal cost of the recent primary election to the County of Clatsop, including every phase of the work commanded by the law, and reports the same at \$1114, or, considering the number of votes cast at the primary election, just \$1.16 per vote. The primary law of Oregon will stand for some pruning; the cost must be simplified as well as the procedure.

The Real Estate Market.—Four deeds went to the public records of Clatsop county yesterday, to-wit Annie Kriemmel and husband to Mrs. L. F. Stevens, warranty, \$650, east half of lot 12, block 4, Grimes' Annex to Ocean Grove, Joseph Schamberger to B. J. Sallop, warranty, \$1500, east half of lot 2, block 117, Shively's Astoria, Joseph Schamberger to John H. Jeffers, warranty, \$1500, west half of lot 2, block 117, Shively's Astoria, Eliza D. Sophie and V. Boelling to J. H. Duncan, warranty, \$2500, lot 8, block 29 McClure's Astoria.

Baseball Teams Consolidated.—At a meeting of those interested in the baseball situation in Astoria yesterday it was the opinion that this city needs a good baseball team, and an organization was perfected, by which all the various local teams will join hands toward organizing the best aggregation which Astoria has had in a long time. G. T. Allen of the Palace cigar store, was elected manager, and George Jackson, formerly with the Eastern Candy Co., captain. There is plenty of first-class material for a winning team, and if the proper support is given those who are backing the movement, by the citizens, the nine will put up an article of ball which is seldom seen in this section. The name of the new team will be the "shamrocks," with colors, red and green. Practicing will be commenced at once, and games scheduled.

CARD OF THANKS.

I desire to thank all my friends and neighbors and the Red men's Lodge for all their kindness and sympathy during the illness of my late husband.

CUT OFF THEIR QUEUES

Hop Yick Leads Movement in Chinatown for Queueless Chinamen, and Shears Get Busy.

Yesterday was a sad day for the inhabitants of Chinatown for dame fashion entered the precincts of the celestial borders and by her stern edict, every Chinaman, who would follow style, must hereafter be queueless. The craze for cutting off their queues has started with a rush, and yesterday a number of the almond-eyed heathen were shorn of queues, risking the vengeance of Confucius, Tsi Ann, and all the gods.

Most of the Chinamen in this city are members of the Reform Association, which advocates the cutting off of the hirsute appendages, but superstition has hitherto for the most part prevented the celestials from ridding themselves of their queues, until last Monday when Hop Yick one of the leaders of Chinatown got rid of his, and immediately thereafter other Chinamen began to follow suit.

Hop Yick became separated from his queue rather suddenly. He works for the Sanborn-Cutting Company, and Monday in course of a conversation with Mr. Sanborn, his employer jokingly inquired of him why he did not cut off his queue. Hop Yick stating that he had simply let it grow, to save the trouble of cutting it off, Mr. Sanborn pulled out his pocket knife, and slashed the pig tail off.

It is said that the air was yellow for a considerable period after the operation with Mongolian expletives; such sudden and summary action not being exactly to Hop Yick's liking. The queue was off however, and so he made the best of it, and last night when seen, stated smilingly that the queue was "no good; too hot in summer time."

Before the end of this month it is stated that over thirty Chinamen will be bereft of their queues.

SIX DAYS MORE.
The insistent duty of the hour for Republicans, is to register.
There is nothing just so imperative as this, and further neglect of this essential must be deemed a tacit breach of good faith and purpose. Go on record as a Republican and stay on record to the last moment of the campaign. It is just as much a duty as voting and the full registration of the party is one of the requirements of the elective processes provided by law. Fulfill the law and take your victory as becomes the best of citizens!

THE NIMBLE COIN.

The nimble coin of the country never does so good a thing as when it supplies a man with a well-cooked and healthful meal of the sort he is hungry for. In this instance it becomes a blessing, and no pocketbook is the poorer for the expenditure; this is why everyone you see coming out of the Palace Restaurant carries such a grateful and satisfied expression of countenance. Just watch for a day or so, and the first thing you know you'll be a steady customer there. It is one of the certainties of Astoria life.
