PORTLAND, May 9. - There was rather better supply of poultry on Front street this morning, especially of fryers and broilers, though not heavy enough to break prices. Receipts of choice hens are not equal to requirements of the trade, and there is no probability of greater supply in the near future. Fryers are in prime condition, and not too plentiful, but there are hather too many little fellows sent in. A few coops of old Yurkeys were seen on the street, but there is but little inquiry for them, especially toms, that would seem to be sent in from ranches here and there where there are more in the flocks than desired. The season for turkeys has been over for some time, and the birds are not wanted to any noticeable extent.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endur ed during this time is beyond compre-hension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 5-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by Frank Hart, and leading druggists.
