## Latest Quotations in the Portland Markets

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, June 24.—The heavy May business of Portland promises to be greatly increased this month in all branches of the wholesale trade.

In the necessary absence of detailed statements it is necessary to indulge in generalities to some extent. In every counting-room called upon the same encouraging reports were given, that no such volume of business ever was handled in this city as at the present time.

Groceries produce, hardware, dry goods, leather, building materials, lumber, paints and oils—in a word every line is represented in the jobbing trade of Portland, and in each particular line merchants are crowded with orders taxing their capacity in handling them.

Price of lumber advanced on most dimensions, dating from the 1st and with a resumption of shipping when the sailors' strike is settled, there will be an active movement south from the north coast to meet the certain big demand of San Francisco in rebuilding operations.
