PET OF SQUADRON.

Ned, Mascot of Torpedoboot Flotilla, True Man-of-War's Dog.

If there ever was a good pal, it is Ned, the mascot, not of a single war-ship or crew, but the pet of the whole torpedoboot flotilla of the Pacific squadron. He is now attached to the Preble, stationed in this harbor. Ned is ripe in years, so old in fact that none of his new-found friends know how old he is except in a vague way, though tradition has it that he has been handed down to the present generation of sea-fighters from the old navy. He is easily good for 15 years.

He has been with the Preble only a few weeks, having been attached formerly to the Perry, which went out of commission for complete overhauling at Mare Island before the remainder of the squadron left.

The crew of the Perry was transferred to the Preble, and Ned went, too. The dignified old fellow, for he is past his playful puppy days, takes his shore leave with any of the liberty parties, and woe betide the landsman who tries to "cotton up" to him. He will have nothing to do with a man in civilian dress. The tars say he carries this animosity to the extreme of going on a strike if a landlubber joins his friends, absolutely refusing to budge out of his tracks until the intruder has gone his way.

Sometimes he gets lost on land, for his eyesight and sense of smell are none too keen; but he always manages to find the water front even if his pals abandon him and go aboard ship. In getting back to his ship Ned displays almost human intelligence, for he will crawl down to the water's edge and stick his foot in the water to see which way the tide is running.

If the Preble is abreast of him and the tide is running out, he will run up stream several blocks, plunge into the water and let the tide help him reach his destination.

If the tide is running in Ned trots off down stream and takes advantage of the tidal current again.

Ned can count "bells" and he knows just what part of the daily routine each one means, and he has still enough of his native instincts left—for he is a bird dog to retrieve a dity box or a pipe from sailors' quarters after once being coached.

He was introduced to Bull, the San Francisco refugee mascot of the gunboat Princeton, the other day, and while Bull wagged his stubby little tail and smiled broadly, Ned looked at him disdainfully for a minute and then turned away wearily.

On account of his advanced years the crew of the Perry decided about a couple of years ago to shoot him, but when they went to look for him they found him asleep on an old flag, and they hadn't the heart to disturb him.

DEEDS, NOT WORDS.

Astoria People Have Absolute Proof of Cures.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Astoria kidney sufferers, Have made their reputation. Proof lies in the testimony of people who have been cured to stay cured.

G. H. Springmeyer, expressman, of 1016 First street, Portland, Ore., says: "Exposure to rough weather and the jerking of my wagon brought on kidney trouble. My back ached almost constantly and the action of the kidneys seemed weak and the passages of the secretions too frequent. Doan's Kidney Pills came to my notice and I got a box and began using them at once. The pain in my back was soon relieved and the kidney secretions became normal. Two boxes of Doan's Kidney Pills brought about this result." (From a statement made February 28, 1903).

CURED TO STAY CURED.

On January 12, 1906, Mr. Springmeyer confirmed the above statement and added: "Since the time referred to in my former testimony I have not a trace of kidney trouble. I have recommended Doan's Kidney Pills to many people and am always glad to do."

Plenty more proof like this from Astoria people. Call at Charles Rogers' drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Many families in San Francisco are still separated as a result of the panic following the earthquake and the advertisements appearing in some of the San Francisco papers are truly pitiful. Husbands are advertising for their wives, parents for children, etc. It is certain that many of these missing loved ones are now filling unknown graves.

Death From Lockjaw

never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant of Rensselaersville, N. Y., says: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures Cuts, Wounds, Burns and Sores. 25c at Charles Rogers, drug store.

Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says "I was two years in Cuba and two years in the Philippines, and being subject to colds. I took Dr. King's New Discovery for Consumption, which kept me in perfect health. KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.
Mr. Robert G. Burke, Elmira, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began I had to get up from 22 to 30 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
