No Increase.—From reports of fishermen on the river the run of salmon shows no increase, except at the mouth of the river, where a number of the gill netters have succeeded in making fairly good catches.

Funeral Today.—The funeral of the late William Wilson, who was burned to death early Wednesday morning, will take place this afternoon from the Pohl undertaking parlors. Rev. Rydquist officiating. The interment will be in Greenwood cemetery.

Arrest Peddler.—A man giving the name of Wicks was arrested by Constable John Sayre, and turned over to the tender mercies of the police, where he admitted to having traded various articles of imitation jewelry to a number of housekeepers in the residence section of the city, for most anything he was able to get. After depositing \$25 bail the fellow was allowed to depart.

Keep Cool Now.—Several electric fans were installed in the Star theatre yesterday by Stage Manager Purinton, for the comfort of the patrons of that house.

Laid to Rest.—The funeral of the late Miss Alice Wright took place yesterday morning from Grace Episcopal church. There was a very large attendance present, and the beautiful and impressive ritual of that church as unfolded by the rector, Rev. W. Seymour Short, was pregnant of the sorrow felt by all who heard it. The music was particularly applicable to the sad occasion, and the wealth of lovely flowers contributed spoke significantly of the deep sorrow felt by the community in this untoward event. The pall-bearers were all young friends of the dead girl, namely, Messrs. G. H. Ohler, Lawrence Rogers, Wilson Stine, Frank Woodfield, Harvey Allen and James Robb. Interment was had in the cemetery at Ocean View. Nearly all the war veterans in the city were present as a mark of honor to their stricken comrade and his sorrowing wife, Mr. and Mrs. C. S. Wright.

The Wrong Men.—The sheriff's office here yesterday sent out a telegraphic request to the authorities at Forest Grove for the arrest and detention of the two young larcenists, Darling and Powell, wanted at Seaside and received a wire that they were in custody. Before anything could be done toward bringing them back, it was announced from Seaside that the two men had appeared in court there and given themselves up, had been released and had returned to work at the mill. This obviated further steps as to men at Forest Grove, who were evidently not wanted, and word to that effect was forwarded.

Will Determine It.—Chairman R. M. Leathers of the Twelfth Annual Regatta Committee reports that the soliciting committees heretofore appointed in the matter of securing funds for the regatta will make a thorough canvass of the city during the coming week, and the work will have a determining effect in deciding whether the festival is to be held this year or not. They will soon get in touch with the tone of public sentiment in connection with the matter, and their report will be final in the premises.

New Officers Elected.—The Astoria Progressive Commercial Association better known as the "Push Club," has had a meeting and chosen its new officers for the ensuing year, as follows: President, Dr. R. J. Pilkington; secretary, J. A. Eakin; treasurer, J. N. Griffin, and a board of directors consisting of K. Osburn, T. L. Ball, R. M. Leathers, A. L. Fox and C. W. Carnahan. Ex-President Carnahan, on his relinquishment of the chair, made a fine and spirited talk in behalf of the new year's work of the association.

Too Much Heat.—Hon. W. H. Hume has suffered intensely from the fearful heat that has prevailed at the metro polis for the past few days, and on Wednesday evening he succumbed to the pressure to such an extent that professional aid was required to restore him to normal conditions. Dr. Cordiner was successful in averting a serious outcome to the attack.

Sewen Degrees the Best.—Astoria has a prime advantage in her cooling sea breezes over the city of Portland. There it was a shade over 102 yesterday afternoon, while at the same hour it was but 95 degrees. It was hot enough here at that, and the evening breeze was cordially welcome when it did spring up.

Bright eyes are an infallible index to youth, windows from which Cupid shoots his arrows. Hollister's Rocky Mountain Tea makes bright eyes, rosy cheeks. Tea or Tablets, 35 cents. Sold by Frank Hart.

Off for Germany. Deputy County Clerk G. Zeigler left for Germany on last evening's express for Portland. He will be absent for about two months and will bring back his wife and children on his return.

Morning Astorian, 65 cents per month.

Piano Drawing.—At the dance and piano contest given by Herman Wise to his customers, the following gentlemen were chosen as judges: Jens H. Hanson, D. A. Brown, Frank Vaughan, A. T. Sieverts, and H. Jones and little Gracie Goodell being blindfolded drew the following: No. 319, held by Bob Geilof, Tillamook Rock Lighthouse and No. 1175 held by Fred Broemser, formerly of the Parker House; the next event will take place immediately after Christmas, when Mr. Wise promises something entirely new for the entertainment of his many customers; save your WISE sale slips.

Fatally Hurt.—A dispatch from Walla, Wash., says At 3 o'clock Thursday morning, George McKinley, aged 23, a plumber's apprentice from Los Angeles, while boarding the rods of a freight train here, had both feet cut off and his skull fractured. His wounds were dressed by railroad Surgeons Watkins, and he was taken to St. Mary's Hospital at Walla Walla. He is probably fatally hurt. He has relatives at Astoria and Los Angeles.

Done in Probate Court.—Attorney Frank Spittle yesterday filed the petition of Olga Isaacson Taaveniku praying for letters of administration in the estate of Charles Isaacson Taaveniku, deceased, which is valued at \$750. Judge Trenchard made an order to that effect placing her bond at \$1500. He also appointed the following appraisers of said estate: Erick Gustafson, Oscar Johnson and Frank Bjornstrom.

The Clever Thing.—Yesterday when City Superintendent A. L. Clark went to pay for the fine flag-pole erected by the school children at the city park, on the 3d instant, at the office of the City Box & Lumber Company, that concern promptly receipted the bill in full as their donation to the cause. The bill amounted to something over \$7. Not much, but enough to reveal a kindly impulse.

Deeds to the Records.—The following realty transfers were filed at the county clerk's office yesterday, for public record: Hermosa Park Investment Company to E. Zimmerman, warranty, \$300, at 14, block 22, Hermosa Park. The United States to Loe Nystrom, patent, for 40 acres in section 12, T. 6 N., R. 6 W. Leo Nystrom and wife to the Minnesota & Oregon Land & Timber Company, the above 40 acres.

Another Step Made.—Lessee R. E. Elvers, of the new Fishers' Opera House has received a very satisfactory contract for the furnishing of entertainments at that place of amusement during his incumbency, and the bookings will be made as soon as he can get them. The season, under this insurance, which comes from the Northwestern Theatrical Association, of New York, means that the quality of entertainments here are to be of the very best.

Finally Committed.—County Judge Trenchard yesterday signed the commitment of Charles Parks, to the Oregon asylum for the insane, and he will be taken there some time today, as the attendants have been summoned here in this behalf. It is another sad chapter in the poor fellow's life, made miserable and futile, though the evil that other men did.

Home from the North. Ex-Police Officer Albert Thompson, of this city, who, upon his retirement from the municipal service here, went to Fairbanks, Alaska, on a mining venture, has returned to Astoria, owing to the fact that things were not wholly to his liking in the matter and rather than remain there without some definite purpose, came home at once.

Stiff Breeze.—Yesterday while Astoria was enjoying the warmth of a summer day, and while there was scarcely any breeze blowing the wind at the mouth of the Columbia, was reported to be blowing 50 miles an hour. The weather otherwise at the beach was fine. One fisherman's boat was overturned, but no lives lost.

First Papers Filed.—Jacob Putas, a native of Finland, yesterday filed his declaration of intention with County Clerk Clinton.

To Seaside.—George Noland, accompanied by his family, have gone to Seaside to spend a few weeks in their cottage, enjoying the ocean breezes.

"Behold the Western sky, Where people live but never die." The reason for this is plain to see. They all take Rocky Mountain Tea. Sold by Frank Hart.

Old Chronic Sores. As a dressing for old chronic sores there is nothing so good as Chamberlain's Salve. While it is not advisable to heal old sores entirely, they should be kept in a good condition for which this salve is especially valuable. For sale by Frank Hart and leading druggists.

"A GAY DECEIVER" LAST NIGHT

LARGE CROWD WITNESSES FIRST PRODUCTION OF "A GAY DECEIVER" AT THE STAR BY THE WILLARD STOCK COMPANY.

"Laugh and grow fat." well its the impression that the Willard Company replaced the weight that this hot weather has taken off. The comedy, "A Gay Deceiver," that was produced last night, kept the audience in a continual roar of laughter. Mr. Willard, as Lysander Lyon, M. D., with his continual lying, caused a continual roar of laughter. Mr. Willard, in light comedy, is as pleasing and refreshing as only the exceedingly clever actor that he is can be; but that is the secret of all great actors versatility, and when the Astoria public welcomes Dr. Jekyll and Mr. Hyde, and compares the two parts of this week and next, no room can be left in their minds as to the wonderful talent this young actor is possessed of. Mr. Blanchard was supported Mr. Willard in an excellent manner. Mr. Layton as Darby Dashwood, sustained his part excellently. Mr. Mathews as Lysander's valet, did well. Mr. Morton had indeed a very different part to play and his handling of it showed the capabilities, that the clever actor is possessed of. Miss Hepburn and Hiss Herbert were both exceptionally prepossessing their parts; and the summoning up of "A Gay Deceiver" is that is a clever, bright and artistic comedy, and one well calculated to drive dull care away.

ARE YOU A BON VIVANT?

The pith of life, after all, is a good feed. The good things of this life are not as a rule easily found, so that it is a pleasure to find so close at hand a first-class up-to-date establishment, where one gets those good things at every meal, like the Palace Restaurant, on Commercial street. The home of the bon vivant. *tf.*

BE A CUCUMBER.

Don't Mind This Hot Weather—Keep in the Shade.

Be a cucumber! Forget the heat and remembered how you shivered last winter. Keep in the shade.

And don't kick! Be cheerful! One of Astoria's fat men was met yesterday walking up Commercial street. The perspiration was rolling down both sides of his face. It was dripping from his nose. Two little rivulets were coursing down his back.

He stopped to speak to a friend and as he stopped he took off his hat and began mopping his face with a towel. Yes, sir, a towel! "Is this hot enough for you, fatty?" he was asked.

"Say," he replied, "I feel just like a government irrigation project, isn't it fierce? But," he added, "this is the weather that makes the crops jump." And then "fatty" turned around and thumbed his nose at the sun, gave his head a few more wipes, and headed for a Pabst soda fountain. That's the kind of a spirit to show. Don't grumble! Be a cucumber!

Saved His Comrade's Life.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says Mr. J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for ten years in immigration work and conducted many parties to the south and west. I always carry this remedy and have used it successfully on many occasions." Sold by Frank Hart, leading druggist.
