ITCHING SCALP FALLING HAIR

Came Out Constantly—Hair Finally Had to Be Cut to Save Any—Scalp Now in Good Condition and No More Itching—Another Effective

CURE BY THE CUTICURA REMEDIES

"I will gladly give you all the information concerning my case. I used the Cuticura Soap and Ointment for a diseased scalp, dandruff, and constant falling of hair. Finally I had to cut my hair to save my scalp. Just at that time I read about the Cuticura Remedies. Once every week I shampooed my hair with the Cuticura Soap, and I used the Ointment twice a week. In two months' time my hair was long enough to do up in French twist. That is now five years ago, and I have a lovely head of hair. The length is six inches below my waist line, my scalp is in very good condition, and no more dandruff or itching of the scalp. I used other remedies that were recommended to me as good, but with no results. If you wish to publish any of what I have written you, you are welcome to do so. I am, respectfully, Mrs. W. F. Griess, Clay Center, Neb., Oct. 23, 1905."

FROM THE HOUR OF BIRTH Mothers Should Use Cuticura Soap, the World's Favorite

NEWS OF OREGON AND THE NORTHWEST.

BROKEN WINDOW CAUSES A STRIKE AT ALBANY

ALBANY, Ore., July 12.—A stone struck by a workman's pick in such a manner that it was thrown 35 feet and through a plate glass window has caused a strike and is the basis of trouble which may have to be settled in the courts. A small force of men were repairing the track of the Albany Street Railway on First street Tuesday, when a workman digging with a pick struck a stone on the side. It was hurled with considerable force and crashed through a window of the store of the Albany Hardware Company. Yesterday the workmen attempted to get the management of the street railway to pay the damage, amounting to \$75, but the demand was refused and the workmen struck. It is now a mooted question as to who shall pay for the broken window.

SODAVILLA TO BE SEAT OF LEARNING

ALBANY, Ore., July 12.—Articles of incorporation were filed in the County Clerk's office yesterday for the Mineral Springs College, at Sodavilla. The college will be opened next Fall in the building at Sodavilla formerly occupied by the old Mineral Springs Seminary, which closed its doors several years ago from lack of financial assistance. It is now planned to establish a school the equal of any institution in Oregon, except those supported by the state. Classical, scientific, literary, normal, business and musical courses will be taught, and the institution plans to give degrees as high as master of arts.

GRANGERS HOLD A BIG MEETING AT MOLALLA

MOLALLA, Ore., July 12.—The Clackamas County District Pomona Grange met yesterday in the hall of Molalla Grange, No. 310. The meeting was opened in the ritualistic form of the order. Molalla Grange, No. 310, has a membership of 159, being the banner Grange of the county. The membership of the entire county is about 1300. At 12 o'clock the meeting adjourned for dinner, which is always a feature of these meetings. About 100 members were present.

gun in my coat having removed it from my bosom where I had it concealed. Fred offered to carry my coat and I told him all right. Then I was walking to the door and George was in front of me. It was just the chance I wanted and I then shot him. My brother Fred grabbed me and I sat down on his lap and put my arms about his neck. I sat there and an officer came. I do not regret doing it. I am glad I did it. I fired once and tried to fire another but there was such a loud noise made by the crowd. I don't know whether I fired again or not. I shot him in the head and I knew if I hit where I intended to it was instant death. I intended to follow him to Portland if I had not shot him here.

Perry Mitchell Talks.

Perry Mitchell made the following statement: "At the depot I went to check my grip and when I came back I saw Esther standing beside them at the counter, seemingly looking for us. She looked as if nothing was the matter. I said, 'Why, Esther?' She said, 'I just came down to see you off.' Just then I motioned for George. He came up and spoke to her. She made the remark to the matron that she wanted to see George. George shook hands with her. She said, 'I will walk out to the door with you.' I and George walked ahead talking, she dropped back and Fred was by her side. Fred said to her, 'Let me carry your coat.' She had the coat on her arm and seemingly had the gun in her hand. She said 'All right' and like a flash shot him before we had time to even think."

At the conclusion of their statement to the newspapers the brothers called for Captain Sullivan and asked Frank Hurt be placed under arrest.

Mrs. Creffield Blamed.

In the statement of Fred and Perry Mitchell, Mrs. Creffield, the widow of the "Holy Roller" leader and Frank Hurt, brother of Mrs. Creffield, are blamed for the tragedy. The two were brought to

FAMILY QUARRELS IN LINN COUNTY

ALBANY, Ore., July 12.—Family quarrels form the principle feature in the big docket which will face Judge William Galloway when he convenes Department No. 2 State Circuit Court, in Linn county next Monday. There are 43 cases on the docket, a remarkably large number for this term.

Eleven of these cases are suits for divorce. Many of them embrace highly sensational allegations. Included in the list is the action for divorce brought by Edward E. Parrish against Luella C. Parrish, who now figures in considerable litigation in Portland.

Besides the divorce cases there are at least seven cases arising from family quarrels over property. In some of these valuable estates are involved, and altogether the docket will be in interesting one.

THIRD PARTY OF THE O. S. L. SURVEYORS FOR SNAKE

HUNTINGTON, Ore., July 12.—Another party of Oregon Short Line surveyors is here, awaiting the arrival of a boat to convey them down the Snake river. This will be the third boat to go down the river carrying surveyors on the railroad extension from her to Lewiston. The work of cross-sectioning has begun and it is reported that the grading on the first 57 miles will commence at once.

PAVING CONTRACT AT PENDLETON RATIFIED

PENDLETON, Ore., July 12.—The City Council last evening formally ratified a contract with the Warren Construction Company for the paving of 11 blocks on Main and Court streets. A bond for \$100,000 filed by the company was approved. By the terms of the contract the company is to pave with bitulithic pavement at the price of \$2.17 per square yard. Work is to commence within ten days from date.

J. M. Ferguson, councilman from the first ward, tendered his resignation, and Mayor Fee appointed Thomas Thompson to the position. His appointment was confirmed by the Council.

the police station a few minutes after the arrest of Esther. Perry, the younger, was almost in convulsions, but Fred was more collected, although he frequently burst out in angry denunciation of Mrs. Creffield and Frank Hurt. Fred stated that Mrs. Creffield is to blame for the entire trouble, and if it had not been for her, Esther would have been satisfied and reunited with George. Fred asked that Esther be not too harshly judged. He said she was dominated completely by the Creffield woman, and that she was not in her right mind. He says her mind is broken down by Creffield's influence and the constant companion she was with the Creffield woman since coming to Seattle, caused the loss of her reason.

Plot To Kill Him.

PORTLAND, July 12.—That Mrs. Starr knew her brother was to be assassinated in the event of his acquittal is the belief of B. E. Starr, her husband. Last night when seen by an Associated Press representative here, after being told of the tragedy, Mrs. Starr was in smiles. An effort was made to talk with her on the subject of her brother's death, but she said smilingly, she had nothing to say. Starr is satisfied that there was a plot to kill George, and that it was hatched some days ago.

BUILDING TIEUP.

Chicago Cement Workers Strike For a Big Raise—All Union Men Idle.

CHICAGO, July 12.—More than \$2,000,000 worth of building contracts in skyscrapers and on streets were reported to be tied up by the cement workers' strike at a conference of concrete contractors yesterday.

The army of men on strike totals 2000; the list having been swelled during the day by several hundred laborers who were thrown out of employment by lack of work. In all cases hodcarriers quit simultaneously with the cement men. Cement finishers and paperers also joined the strikers' ranks. Practically every union workman connected with the concrete construction is idle. Contractors sought in vain for some

NEW YORK, July 12. July 12.—Samuel Platt, secretary of the House-smiths' Union, Sam Parks' old organization, was held in \$1000 bail for the grand jury yesterday on the charge of selling bogus membership cards. Louis Miller swore that Louis Jeffkin sold him a bogus membership card for \$150, and Platt is alleged to have been implicated in the swindle.

The policy has been trying for some time to find Jeffkin. Union men are greatly interested in the case.
