Latest Quotations in the Portland Markets

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

A sale of hops at 17c was closed yesterday afternoon that of a lot of about 100 bales at Harquam. This afternoon the attention of the trade was centered on a deal at McMinville, where Epperman's lot had an option expiring about noon at 17c. The option was held by Weidner, and it was currently reported about the Belvedere that Lachmund was on the ground ready to compete for the lot. If the option expires, bails on the market say a fraction over 17c will have to be offered in order to secure the goods. There is much activity in Portland in the employment of hop pickers. Fifty cents a box is the agreed price among growers.
