PORTLAND, August 17.—There are rumors afloat that a corner had been effected in the sulphur market; the result of which would be a rapid advance in the price.

The fire in San Francisco destroyed the principal mill in that city, the San Francisco Sulphur Company. As a result, instead of this city being able to draw upon the Bay City for additional supplies, dealers here have had to divide their stocks, not only with San Francisco, but with the Sound markets as well.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers that are liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal.
