Nothing Doing.—Friday night was a dull one in police circles, the duller since the commencement of the "open town" regime. Not a single arrest was made, and yesterday afternoon there was no need for a police court session. With the closing of the fishing season the police expect to be kept busy for a while caring for the celebrants which are sure to be found.

**Musical at Seaside.**—Friday evening a most successful musical was given at Seaside for the benefit of the Catholic church. The musical part of the program was followed by a dance. The program rendered was as follows: "The Serpentine Dance," by Misses Kopp and Kearney; mandolin solo, "Southern Dream," Prof. Ray Mann; vocal solo, "My Eln Folk," Miss Daisy Freeman; piano solo, "Melody of Love," Misses Conrad and Hazel; recitation, Miss O'Connor; piano solo, "Elsa's Dream," Thomas Dobson; vocal solo, "Too Late," Miss Emma Miller; recitation, "The Confessing," Miss Agnes Manneor; piano solo, "Crescendo Lassen," Waltz E Minor, Chopin, Miss Ethel Gordon; monologue, by Mr. Ross and his company from the Lyric theatre in Portland.

**Council Tomorrow Night.**—Tomorrow night will occur the regular meeting of the city council at which time there are a number of important matters to come up. The oil tank ordinance will be brought up and it is likely to be decided then. The theatre license ordinance ordered drawn up at the last meeting will be introduced. Present indications seem to point out the fact that this measure will fail of passage, as there is said to be considerable opposition to it among a number of the councilmen, and people generally. As Councilman Hansen intimated at the last meeting, that he would do, an ordinance requiring plumbers in Astoria to be licensed, will also come up. In the absence of Auditor Anderson, Patrolman Twombly of the police department will act as clerk.

**Restaurant Robbed.**—A waiter employed in the Portland restaurant on Bond street, managed to get away sometime yesterday morning early, with a valuable watch belonging to the proprietor, and the contents of the cash register, amounting to about \$25. The thief's name is not known to the proprietors, as he had only been in the restaurant's employ for two days, and in town but four. The police were notified immediately upon the discovery of the theft, but as yet have been able to find no trace of the waiter.

### ESTHER IS QUEEN

Miss Esther Anderson Will Rule Astoria Regatta.

WILL WEAR SAILOR COSTUMES

Queen and Maids of Honor to Have Unique Costumes—Many Yachts Will Attend the Astoria Regatta.

Hail, Esther, Queen of the Regatta! Miss Esther Anderson has been chosen by the Regatta Committee as queen of the twelfth annual regatta. This was announced last night by Chairman Leathers, and the news caused universal satisfaction among Miss Anderson's many friends here. She is one of Astoria's most popular young ladies, and resides at 346 Thirty-fourth street. She is as sister of Deputy Sheriff Allan Anderson.

The maids of honor which will attend Queen Esther's court, have not all been chosen as yet, but their names are expected to be announced within a very few days. The costumes of the queen and her maids, will be a unique feature of this year's regatta. They will be patterned after a sailor's suit. White will be the color, and Queen Esther's costume will be trimmed in gold, while her attendants will have their costumes trimmed in blue. The other details will be worked out later.

The remaining features of the regatta, in the line of sports are being rapidly perfected.

It is expected that the attendance from the outside towns will surpass that of any of the previous regattas. The committee has been notified that a large number of Portlanders are coming here on their yachts. Among those which will be here are the sloop yacht Corsair, owned by Max Meyer; The Naiad, Breyman & McKelvin; The Footman, MacKay Brothers; The Comet, H. F. Todd; Anona, Francis D'Arcy; the Synamox, Jack Honeyman; and the Zephyr, Roberts & Bannon.

The Zephyr was managed last year by H. F. Todd, who won the two leading prizes. Mr. Todd has won the championship for the past eight years with his two boats, the Skylark, and Zephyr, but this year is going into the contest with the Comet, a boat built on a new plan, which has proven very successful in the East, but heretofore been unknown on the Pacific Coast. The Comet is enrolled with the Oregon Yachting Club and with the Portland Rowing Club: Her dimensions are 28 feet long, eight feet wide, and she carries 500 square feet of sail.

**File Remonstrance.**—A remonstrance against the passage of the new ordinance for the regulation of oil tanks in the city, and providing for storage of the same so that the lives and property adjacent may not be endangered, was filed with the city auditor yesterday. The remonstrance was circulated by Hiram Leinenweber, local agent for Rockefeller and asks that the council not pass the measure.

Among the signers to the petition are Columbia River Packers' Association, S. Elmore & Company, J. Lindenberg, Warren Packing Company, Talant-Grant Packing Company, Astoria & Columbia River Railroad, Vancouver Transportation Company, A. Booth & Company, Tongue Point Lumber Company; Hauke & Company; C. R. Cyrus, Foard & Stokes, Fisher Bros., J. A. Seymour, S. L. Nanthrup, Sherman Transfer Company, A. Makes children eat, sleep and grow. Makes mother, strong and vigorous. Makes a healthy family. That's what Hollister's Rocky Mountain Tea does Tea or Tablets, 35 cents. Frank Hart, Druggist.

**Will Not Be There.**—It was expected that U. S. Senator C. W. Fulton would be among the Oregon delegates to the National Irrigation Congress at Boise, September 3rd to 8th, and deliver a potent address on the great question, but it is learned that prior and pressing engagements will prevent his being there. It is to be regretted for the sake of the congress and the State of Oregon that he cannot attend.

**Home Again.**—Miss Sophie Anderson returned on the noon express today from Denver, Colo., where she has been visiting for the past month. She reports having had a most enjoyable trip, and among other pleasures, went through the "Garden of the Gods," and also looked down on the surrounding country from the top of "Pikes' Peak."

**Assessments Equalized.**—The city board of equalization met yesterday afternoon in the council chambers of the city hall, and equalized the assessments made to defray the costs and expenses and constructing a sewer on Eighteenth street, constructing a drain on Melbourne avenue and for the improvement of Fourth street. One objection was filed against the Eighteenth street sewer. The assessments were approved practically as made in the first place.

**Doesn't Seem to Take.**—For some reason, or other, the special Astoria-Portland round trip rate of \$2.50 inaugurated by the A. & C. railway on the 29th of last month, does not seem to take very well, as but few people are availing themselves of it, and the opportunity to rest and recreate for a day in the metropolis.

**Scanning Her Field.**—County School Superintendent Miss Emma Warren will leave tomorrow for a ten-day tour in the Nehalem country, for the purpose of visiting and inspecting the county schools scattered over that territory.

The management of the Willard Company takes great pleasure in announcing the coming event for next week will be the play that has reached the hearts of every person that has the good fortune to see it; that beautiful story written by Harriet Beecher Stowe, which in our childhood days was next to the Bible, "Uncle Tom's Cabin!"

It is a story that does not need to be told here, every one is familiar with it. The Willard Company are sure to produce this play as it should be, as the cleverness of this company is well known by the entire theatre going public of Astoria. This afternoon in the matinee the "Danites" will be produced, and also for this evening's performance. This is the last time the Danites will be seen.
