ABSCESS.

ABSCESSES, with few exceptions, are indicative of constipation or debility. W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords of my leg to contract and an abscess to rise in my knee, and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.). He recommended a bottle of Snow Liniment; I got a 50c size and it cured my leg. It is the best liniment in the world." Hart's Drug Store.

Heavy draft mares will grow a grade draft colt every year that will sell readily at from \$75 to \$200 when three years old. These same mares when bred to a light horse, will breed colts that will bring from \$75 to \$100. Many horse breeders in the western states are turning their attention to mules, because the latter mature more quickly and generally bring higher prices.

Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.

A little child of Michael Straus of Vernon, Conn., was recently in great pain from a burn on the hand and as cold applications only increased the inflammation. Mr. Straus came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself and recommend it very often for cuts, burns, strains and lame back, and have never known it to disappoint." For sale by Frank Hart and Leading Druggists.

Certainly somebody with political aspirations is going to be "put off" at Buffalo.

SPRAINS.

S. A. Read, Cisco, Tex., writes, March 11, 1901: My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. I earnestly recommend it to any one suffering from sprains. Hert's Drug Store.

NOTICE OF INTENTION TO REPAIR.

NOTICE IS HEREBY GIVEN, THAT the Common Council of the City of Astoria declared its determination and intention to repair Commercial street from the East line of Ninth street to the west line of Fourteenth street. Said repairs shall consist of removing all the old street decking, from curb to curb, including the crossings, and between Ninth and Tenth streets, straightening up the stringers so as to bring the street to the established grade, and filling in where necessary to do so, and by replacing the street on the existing stringers from the East line of Ninth street to the West line of Fourteenth street with good sound yellow fir lumber 4 inches in thickness by 12 inches in width. All old material that is suitable for use in repairing streets shall be taken away and stored by the superintendent of streets as the same is taken up by the contractor, and that which is worthless shall be removed by the contractor at his own expense and not dumped under the roadway, and the decking on said street at the intersection of Commercial street and Twelfth street, or from the West line to the East line of Twelfth street, shall be surfaced on three sides, sized and well dried and upon said crossings when so replanked a coating of Elastic Cooked Asphalt to the depth of 1 1/2 inches shall be placed, and rolled with a hot Asphalt Roller, to present a smooth surface; said asphalt to be spread upon said intersection on the street decking.

In matters of detail said improvement shall be constructed according to the plans and specifications therefor to be prepared by the City Surveyor as hereinafter provided and general ordinance No. 1901, and any matter of construction and drainage found necessary to make the improvement safe or substantial shall be done by the contractor whether specified or not, without extra charge.

That the costs and expenses of constructing said improvement shall be defrayed by special assessment upon the lots, lands and premises benefited by the same which said lots, lands and
