IT PAYS

to buy Mennen's Borated Talcum because of its perfection and purity. But it does not pay to sell Mennen's Powder nearly as well, as it pays to sell an imperfect and impure substitute which, costing about half the cost of Mennen's, yields the dealer double profit.

The "just as good" with which some dealers try to palm off a substitute is true any way. If it's only "just as good" for the dealer why push the sale. If it's only "just as good" for the buyer why risk an unknown preparation for Mennen's.

There's nothing just as good as Mennen's Borated Powder, and the dealer who says there is, risks his customer's skin and safety to make an extra profit on a sale.

Have you tried Mennen's Violet Borated Talcum Toilet Powder? Ladies partial to violet perfume will find Mennen's Violet Powder fragrant with the odor of fresh plucked Parma Violets.

For sale everywhere for 25 cents, or mailed postpaid on receipt of price, by GERHARD MENNEN CO., Newark, N. J.

PEACE IS DIFFICULT.

ODESSA, Sept. 22.—Peace in this city is maintained with difficulty, owing to persistent efforts of the "Black Hundred" organizations to provoke anti-Jewish attacks. Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.

A little child of Michael Straus of Vernon, Conn., was recently in great pain from a burn on the hand and as cold applications only increased the inflammation. Mr. Straus came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself and recommend it very often for cuts, burns, strains and lame back, and have never known it to disappoint." For sale by Frank Hart and Leading Druggists.
