Latest Quotations in the Portland Markets

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, Oct. 2.—Dealers in produce generally look for a break in poultry before the day ends. Today's receipts were up to noon, not particularly heavy, but nearly all dealers had more or less on hand.

Prices today were barely held up to quotations, but as some of the coops contained extra fine hens, it was thought that for these last week's figures would be realized.

Eggs continue very firm at 29@30c, with supplies holding out better than was expected.

Butter is coming in from the country quite up to requirements of the local demand, but little shipping trade is in evidence, the Sound taking occasional lots and some near-by towns taking small lots.

City creameries will send out new price list this afternoon and, as stated yesterday, some of the big concerns will put the figures up to 32c.

Lord's drug store (who is now in Denver, Colo.). He recommended a bottle of Snow Liniment; I got a 50c size and it cured my leg. It is the best liniment in the world." Hart's Drug Store.
