The craze for white is increasing rather than abating. All the best frocks are white muslin, lace, silk and, above all, the new tussores and linens of every sort and kind. But, instead of putting cream lace, tulle or what you vill near the face, the whole idea is white of almost blue tinge. After all, this is more universally becoming.

Very dainty is the dressing sack illustrated, with its sleeves and ruffles of lace. The yoke is transversely tucked and forms a neat, attractive

There is a new lace, valenciennes rococo, that is much used for trimming young people's frocks. Paris mull is a theer fabric employed this summer for making best frocks.

Pongee coats in the natural color are as much worn by children as by grownups. String colored lace makes an attractive adornment.

INSTANT RELIEF from that awful itch, we will send free, prepaid, a large sample bottle of D. D. D. to prove our claims. Cut out out this ad and write at once for a free sample.

For about is years I had been afflicted with Eczema and had tried many remedies to very little purpose, and no cure. Somewhat in desperation, I tried D. D. D. I was soon convinced before the bottle was half empty that I had at last found medicine that was not a deception. I persevered. Now I have a little left of a third bottle and am entirely cured of the Eczema, and for seven months have had no symptoms of its return.

The annoyance was so great and long-continued, and the cure so complete that I feel it my duty to make known the above facts to the public that others similarly afflicted may make trial of this remedy.

READER, this is but one of the many, many cases that has been brought to our attention and authoritatively proven to us.

D. D. acts on the only scientific principle of curing the skin through the skin, and the world's best spe-cialists are now agreed that this soothing external liquid will accom-plish a cure when all the smeary salves, cintments, and so-called blood remedies have failed.

If you will call at our store we will give you a free pamphlet, giving direction as to diet, exercise, bathing, etc., for skin sufferers. Or write direct to the D. D. Co.
