University of Oregon Takes Football Game By 10 to 0.

YOUNG DVORACK BREAKS LEG

Dr. Tom Ross Umpires—Astorians Played Stiff Game—Coach Ross Has Added Faith in the New Rules of Game.

EUGENE, Or., Oct. 20.—The University of Oregon won the football game here this afternoon by a score of 10 to 0.

In the first half the Oregonians scored 4 by a place kick. Astoria got the kick-off in the beginning of the game and the first half ended with the ball on Astoria's 20-yard line.

In the second half the Oregonians scored a touch-down and a goal-kick.

Dvorack, of the Astorians, sustained a fracture of the left leg above the ankle. Dr. Tom Ross, of Columbia University, served as umpire; W. Lair Thompson, as referee; Prof. Leonard of the University of Oregon, as time-keeper. At the conclusion of the game Coach Ross said: "On the whole, I think the new rules have improved the game."

False Information—About two weeks ago, The Astorian, acting upon what it believed to be authentic information, filed with it by telephone, and by a lady who gave the name of Mrs. Hill, published a wedding notice involving the names of Miss Fay Hill of Warrenton, and of a certain gentleman, and now it turns out that the message sent in to this office in that behalf was false and gratuitous; that the young lady was not married then, nor since, and this phase of the situation is given on the direct authority of Mrs. A. J. Hill, the mother of the young lady in question. The Astorian regrets that it should have been imposed on, and given publicity to what purported to be a social fact, to the discomfort of the ladies here named.

Deserved Promotion—The Astorian joins the many friends of William R. Powell, for many months manager of the local office of the Western Union Telegraph office. Mr. Powell's unquestionable ability and exact subservience to the company's interests here, has resulted in his appointment as local manager of the North Yakima office with an assistant staff of two operators. Local regrets over the loss of a well liked factor in both social and commercial life will be accompanied by congratulations to Yakima over the addition of so capable a man to its business interests as Mr. Powell. His place here will be taken by a Portland man, C. W. Lamar, who will receive a hearty welcome from Astorians.

We Want to Lease a Modern Store-building. The Brownsville Woolen Mill Store, now located at 684 Commercial street, desires to meet owners of property on Commercial street between 11th and 14th, who are contemplating building or who might have property to rent. We need a building about 40 foot front with modern plate glass windows, suitable lease at a good rental for desirable location. Either address Brownsville Woolen Mill Store, Portland, Ore., or call on our manager in Astoria.

Mischiefous Boys—During the performance of "Felicita" at the Star theater last evening, two small boys created a diversion by getting on the roof of the stage and dropping two loaves of bread on the actors. As the performers were neither hungry nor in need of "dough," the action was not appreciated and complaint was made to the police yesterday and the apprehension of the mischief makers requested.

Bids Opened—Bids for improving Commercial street from 9th to 14th were opened yesterday. Dill & Young's bid was \$2,538.30; and that of Berts & Jacobson was \$2,612.20. The surveyor's estimate being \$2,707. The Commission will recommend that the bid of Dill & Young be accepted.

Hindu Operated On—Dr. Fulton performed an operation at St. Mary's this morning on Rama Singh, a Hindu, suffering from appendicitis and tuberculosis. The operation, an essentially dangerous one, was entirely successful and the patient is resting easily.

Farm Produce—A number of farmers were in from the Lewis and Clark Young's river and the Nehalem yesterday, bringing in loads of farm produce which they found ready sale for. The farmers are very much encouraged over the demand for their products, and will raise much larger crops next year.

Left for Hillsboro. District Attorney Harrison Allen left for Hillsboro yesterday morning to investigate the Snyder murder case. He is expected to return to Astoria tonight.

Run Continues Good. The run of silversides yesterday and the night before was above the average for this time of the year, and a number of good catches are reported. Trapsmen from Chinook report good catches, although the traps in Baker's Bay get very few fish. The fall fishing season has been better this year than last.

Fine Reproduction—If you would see all the points of the late mill between Battling Nelson and Jimmy Britt, for the light-weight championship at Mayfield, Cal, drop into the Waldorf and witness the run of the living picture films now on exhibition there and covering every detail of that fistic engagement. The realism of the display is only equalled by its positive fidelity to all that transpired during the engagement.
