ASSISTANCE FOR JEWS.

Committee Appointed for Benefit of Jews in Russia.

NEW YORK Oct. 24.—The Committee of Fifteen appointed by Judge Mayer Sulzberger, of Philadelphia, to select thirty five members so as to form with them a committee of American Jews. It was announced yesterday have divided the country into twelve districts and selected representatives from this district in numbers corresponding roughly with the Jewish population.

It is expected that the committee will find it necessary to increase its membership or adopt some means by which an advisory council may cooperate with them. A meeting of the Committee will be held Sunday November 25th. Among the members are M. Anslinger, Denver; Sig Siegel, Portland; and M. C. Sloss and Rev. J. V. Ostrander of San Francisco.

The purpose of the committee is to render aid to the Jews in Russia and to be prepared at all times to enlist the sympathy of other powers on behalf of Jews in Russia on occasion of persecution and distress.

EXPEDITION ARRIVES.

Two Carloads of Skeletons Secured for English Museum.

NEW YORK Oct. 24.—Three big expeditions of the American Museum of Natural History arrived from the Rocky Mountain region yesterday after several months rough work, bringing two carloads of petrified skeletons of nearly five hundred animals, many new to science, some of whom lived on the earth it is estimated by the scientists hundreds of centuries ago. Among the many rare findings were two dinosaurs, new to science, one of which was of huge proportions bearing some resemblance to the great creature known as triceratops. The expeditions were conducted under Prof. Henry Fairfield Osborne, paleontologist of the museum, and of the governments of the United States and Canada. The expeditions covered the Washaki basins in southern Wyoming, the Laramie Formation of Eastern Central Montana and the Black Hills.

THE PERFECT WAY.

Scores of Astoria Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys.

Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

Mrs. J. W. Painter, of 310 East Seventh St., Portland, Ore., says: "I have not lost any of my faith in Doan's Kidney Pills since I publicly recommended the remedy in February, 1903. As I stated at that time, a severe spell of sickness early in my life left me with weak kidneys, and as time went on I suffered more and more with spells of backache. The pain through the kidneys was torture and often I could not find a comfortable position to lie in. When able to be up and around I was troubled with headaches and dizziness and could not stoop or lift anything. I doctored and used various treatments, but nothing seemed to help me until I began using Doan's Kidney Pills. The use of this remedy was very satisfactory. It gave me so much relief that I cannot hesitate to recommend it, and will put in a good word for Doan's Kidney Pills whenever I find an opportunity."

Plenty more proof like this from Astoria people. Call at Chas. Roger's drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

PLAY SUPPRESSED.

PHILADELPHIA, Oct. 23.—Mayor Weaver today suppressed the further production and publication of the "Clansman" as a result of last night's demonstration by negroes in front of the Walnut theater. The management of the theater will go into court tomorrow and ask that the mayor be restrained from interfering with the production.
