

First Great Sale of WOOLEN GOODS At The Brownsville Woolen Mill Store

On August 14th, a little over two month ago, we opened the Brownsville Woolen Mills Store in Astoria. From the start to the present time our business has been far better than we dared expect, but still we know that there are many people in and around Astoria who do not know we are here, therefore are not acquainted with the great Clothing and Woolen Goods values offered by this store. We sell the goods direct from the mills to you, thus saving you two profits-- manufacturer's and jobber's--which means a saving of from 20 to 40 per cent to you. During this sale we will offer woolen goods at prices lower than you'll ever have a chance to buy them again, and right at the time when you need woolen goods. We want to get you acquainted with these goods and this store, and for that reason we inaugurate our
