Clatsop Land-Owners—Messrs. W. A. Poole and F. L. Hurlburt, of San Francisco, are in the city, looking over some new buildings they have purchased in Clatsop county, the big Wingate ranch, near Clatsop station. They bought it of Mr. J. P. Rogers, of Salem, who is also with them, the deal being closed here yesterday. Mr. Rogers, who is well known in this city and county, will leave with his family in a few days for a long trip, from Salem to the City of Mexico, thence to Vera Cruz, thence to Colon and home to Oregon by way of Panama and San Francisco.

Taxpayers' Meeting—The annual meeting of the tax-payers of District No. 1 will be held tonight at the Shively school building. The superintendent of schools will make his annual report; an estimate of the expenses for next year will be submitted and the annual tax levy will be made. It is probable that the levy will be eight mills. It is expected this will maintain the schools for next year and leave a sufficient surplus to make some needed improvements in the school buildings and grounds.
