SUPPRESS POOL ROOMS.

Montana Legislature Passes Drastring Gambling Measures.

BUTTE, Jan. 24.—A Helena dispatch to the Miner states that two very drastic anti-gambling and anti-pool room measures have been introduced in the Legislature respectively by Senator McLean of Suster and Representative Marshal of Missoula. Under the provisions of the anti-gambling bill, any person conducting a place of gambling is liable to a fine of from \$100 to \$1000; a brace game is a felony punishable by five years in the penitentiary. All gambling devices are constituted public nuisances.

The anti-pool room measure will effectively suppress all pool rooms in the state, if enacted into a law it is believed. The bill provides that no pool selling be allowed except on licensed racetracks and that no license can be issued except between November 1, and June 1, of the following year; and of a building wherein a pool-room is conducted is liable. Any one losing money in a pool room, can recover the amount in court.

FOR FUEL FAMINE.

Twenty Five Cars of Coal Sent to Reno Nevada.

CHICAGO, Jan. 24.—Arrangements are being made to send twenty five or thirty carloads of coal direct to Reno, Nev. The train will be sent over the Illinois Central to Omaha and the Union and Southern Pacific from there to Reno.

Dr. J. A. Stubbs, president of the University of Nevada, and Brother of J. C. Stubbs, traffic director of the Harriman lines, arrived in Chicago Tuesday on a commission from the citizens committee from Reno to purchase a quantity of coal. He first tried to get the coal from In Ogden from the Railroad Company, but found that engines were running light of coal and he then came on to Chicago.

Here he found the dealers had raised prices on account of the fuel famine and yesterday he was in communication with the owners of several mines in the state. The cars will be sent to the mine, where the coal is being bought and the run to Nevada started from there.

UNDER THE HUDSON.

Manhattan to New Jersey in Three Minutes by Car.

NEW YORK, Jan. 24.—It was learned yesterday that the trains will be running under the Hudson river by September 1 of this year. The Hudson and Manhattan Railway Company, which is to operate the McAdoo Tube System under the North River, from Hoboken, N. J., to Morton Street, Manhattan, made the announcement. The

time to New Jersey is to be three minutes. It is predicted that within a year after all the tunnels now being built are in full working order the ferry boats now in use on the river will be devoted almost entirely to truckage and freight. The terminal facilities will be such as to reduce congestion to a minimum and the cars will be fire proof and will have posts to which standing passengers can cling instead of straps. They will have doors at each end and on all sides, all of which will be operated by compressed air.

BABY TORTURED BY ITCHING RASH

Face and Feet Covered—Rest Broken and Would Cry Until Tired Out—"Cradle Cap" Added to Baby's Torture—Tries Cuticura Soap and Cuticura Ointment.

IMMEDIATE RELIEF AND SPEEDY CURE

"My baby was about nine months old when she had rash on her face and feet. Her feet seemed to irritate her most, especially nights. They would cause her to be broken of her rest, and sometimes she would cry until she was tired out. I had always used Cuticura Soap myself, and had heard of so many cures by the Cuticura Remedies that I thought I would give them a trial. The improvement was noticeable in a few hours, and before I had used one box of the Cuticura Ointment her feet were well and have never troubled her since. I also used it to remove what is known as "cradle cap" from her head, and it worked like a charm as it cleansed and healed the scalp at the same time. Now I keep Cuticura Ointment on hand in case of any little rash or insect bites, as it takes out the inflammation at once. Perhaps this may be the means of helping other suffering babies. Mrs. Hattie Currier, Thomaston, Me., June 9, 1906."

CUTICURA—THE SET, \$1. Consisting of Cuticura Soap Ointment and Pills. A single set is often sufficient to cure the most torturing, disfiguring, itching, burning, and scaly humors, eczemas, rashes, and irritations, with loss of hair, from infancy to age, when all other remedies and even the best physicians fail. Guaranteed absolutely pure.
