its Work Well.

A well known authority states that there are more cases of kidney trouble here now than ever before, while recent reports show that more people succumb each year to some form of kidney disease than any other cause.

Pains across the back, frequent, painful and suppressed urination and other symptoms of weak bladder are not the only signs of kidney trouble; many cases of stomach disease, headache, pain in the heart, inactive liver, etc., are but symptoms; the cause of which can be traced to feeble, clogged kidneys.

A test of the urine should be made by every man and woman at least once each year. A simple test is to void a small quantity of urine in a bottle or glass and let it stand over dish brick-dust sediment, or white, fleecy substance present, either consult some reputable physician or take a good vegatable treatment. The following prescription is recommended highly in these cases, and if desirable the sufferer can mix it at home. Any good prescription pharmacy has the ingredients, which are harmless and Leaves Portland Daily Except Sunday inexpensive: Compound Kargon, one ounce; Fluid Extract Dandellon, onehalf ounce; Compound Syrup Sarsaparilla, three ounces.
