Complete Market Reports Corrected Each Day, Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, March 18.—The week opens with little or no change in poultry and eggs. Prices were unchanged this morning, though in some houses small lots of fancy eggs were said to bring a fraction over 18c.

Butter continues very scarce and on hand is expected from San Francisco for some days, although this is the time when heretofore butter has been sent from the South to the over-scarcity here. That city is also experiencing short supplies so that shipments will be delayed until things improve.

Breaks Up a Cold in Ten Hours.

Breathe Hyomei's Medicated Air and you Will Soon be Well.

If you have catarrh in the nose, head or throat, with offensive breath, coughing, irritation of the throat, raising of mucous, difficulty in breathing, sneezing, husky or hoarse voice, discharge from the nose, tickling and drooping at the back of the throat, especially at night, begin the use of Hyomei at once.

Hyomei if it is breathed through the neat pocket inhaler that comes with every outfit, will give quick relief in all catarrhal troubles, and its continued use will kill the catarrhal germs, and drive them from your system.

By using Hyomei you get in your own home the same results as though you lived out of doors in the Adirondacks or the Colorado mountains. The germ-killing properties of Hyomei reach the most remote air cells of the respiratory organs, soothing and healing any irritation there may be in the mucous membrane, and killing all catarrhal germs.

Here in Astoria where Hyomei has been known and sold, there are many who freely attest its wonderful powers, but the best testimony that can be offered in favor of Hyomei is the guarantee that T. F. Laurin gives with every outfit he sells, "money back if he fails."

The complete Hyomei outfit costs but \$1.00, extra bottles, if needed, 50c, making it the most economical treatment for catarrh as well as the only one that is sold under a guarantee to refund the money if it fails to cure.

Piles are dangerous, but do not submit to an operation until you have first tried Man Zante's Great Pile Remedy. It is put up in collapsible tubes with a nozzle that allows it to be applied exactly where it is needed. If you have itching, bleeding, or protruding piles and Man Zante's does not relieve, money refunded. Soothes and cools. Relieves at once. Frank Hart's Drug Store.
