Chamberlain's Cough Remedy is Both Agreeable and Effective. Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Peilham, a merchant at Kirksville, Iowa, says: "For more than twenty years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and my customers who have used it will not take any other." For sale by Frank Hart and leading druggists.

SHORT TALKS BY L. T. COOPER. CONSTIPATION. I can tell a person who is constipated on sight. Their complexion is pasty or yellow. Their eyes are dull, and they look and feel sleepy. No wonder they do. The bowels are a sewer. They carry away the poisonous refuse. If they don't get the poisonous matter absorbed by the body, and headaches, dizziness, bad complexion and eventually serious troubles result. There is no better rule for good health than that the bowels should move every day at the same hour if possible. Regularity can be acquired by making a habit of this. Foolish people neglect this and when chronic constipation effects them they take pills every few days to force the bowels to perform their natural function. As years go on they require more and more pills. This should be stopped. Cooper's New Discovery will build up the stomach and cause the bowels to act naturally. While taking the medicine get the habit of regularity, then gradually stop taking the medicine. Here is a sample of letters from those who have tried it: "For sixteen years I have suffered from stomach and liver trouble, and chronic constipation. I had frequent headaches and always felt tired and worn out. I heard of Cooper's New Discovery and began its use. After I had finished one bottle I was wonderfully improved. Constipation gave way to a pleasing regularity of the bowels and I ate better, slept better and felt better than I had for months. It is the greatest medicine I have ever known." Samuel Booren, 1742 Munsay Ave., Scranton Pa. Our customers who have used them say the Cooper medicines do the work. We sell them.
