#### AMERICAN FLYERS.

Are Being Built to Race for the Kaiser's Cup.

NEW YORK, April 8.—Six boats are known to be under construction with the object of being chosen as American challengers to be sent abroad to race for the Kaiser's cup, at Kiel, Germany, in August, and many of the craft built last year for the Roosevelt cup races are also expected to try for the honor that the trial races to select the three representatives will probably be sailed in heats. These will be in the form of elimination contests to be held under the auspices of the Eastern Yacht Club, of Marblehead, Mass., beginning June 10.

Names have been selected for only two of the six boats. One of the craft is building at East Boothbay, Maine, from designs by B. B. Crowninshield for William Joyce, of Boston, and Sumner H. Foster of Philadelphia. She will be named the Marblehead and sail under the colors of the Boston Yacht Club. The other one for which a name has been chosen is the boat Fred Lawley, designed and is building also at South Boston for Benjamin Tower of the Corinthian Yacht Club, of Marblehead. She will be known as the Corinthian. Neither of the Leads, Clarks Crane, designed craft, the Maximilian Agassiz's Garden boat, the one building for E. C. Eustis of the Eastern Yacht Club, nor the mysterious craft Charles D. Moy-

er has designed, have had names chosen for them.

#### BLOOD GETS SOUR.

At this time of year, says a well known authority, the Kidneys become weak, clogged and inactive, failing to filter out the poisons and acids, which sour the blood, which cause not only facial and bodily eruptions, but the worst forms of Rheumatism, Nervous and Stomach troubles, Backache and painful, annoying Urinary affections.

It is worth anyone's time now to get from some good prescription pharmacy, the following ingredients: Fluid Extract Dandelion, one-half ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after your meals and at bedtime.

This simple home-made mixture will force the Kidneys to normal, healthy action, so they will filter all uric acid and poisonous waste matter from the blood, and expel this. In the urine, at the same time restoring the "full blood count"—that is, 95 per cent red blood corpuscles—which is absolutely indispensable to good health.

The salve that acts like a poultice is Pine Salve Carbolsized. No other salve so good for cuts, burns, boils and chapped skin. Ask about it. Price 25c. Sold by Frank Hart's Drug Store.

## SOUTH BANK TIDE LAND

Land Board Turns Down Applications To Purchase Land At \$2 Per Acre Disappointing Capitalists.

SALEM, Or., April 9.—The hopes of ten capitalists of Astoria and Portland of securing title to over 2200 acres of valuable tidelands and accretions along the south bank of the Columbia River and the line of the A. & C. Railway just east of Astoria were blasted by the State Land Board this morning when it turned down their several applications to purchase at \$2 per acre and held the disposal of the land up indefinitely, or at least until the new law fixed the minimum of \$5 per acre becomes effective.

The land, which consists of water frontage between the river and the railroad track, is considered valuable as a speculation for wharfage and manufacturing sites of the future since the A. & C. has been taken over by the Northern Pacific. The names of the applicants who were represented by Attorney W. T. Muir, of Portland, are Alma D. Katz, George W. Willson, John Fox, C. W. Cornelius, H. F. Hendryx, F. L. Parker, H. L. Steele, Dan J. Moore, G. Lombard and C. M. Cartwright.

#### Bitten By A Spider.

Through blood poisoning caused by a spider bite, John Washington, of Bosqueville, Texas, would have lost his leg, which became a mass of running sores, had he not been persuaded to try Bucklen's Arnica Salve. He writes: "The first application relieved, and four boxes healed all the sores." Heals every sore. 25c. at Chas. Rogers, Druggist.

#### IN AUTOS TO POLE.

Six Individual Attempts Will be Made to Reach the North Pole.

NEW YORK, April 9.—According to the World, Admiral B. S. Osbon, secretary of the Arctic Club, is authority for the statement that six automobiles are being built here and abroad for individual "Dashes" to the north pole. Two of the machines are being built for Dr. Frederick Cooke of Brooklyn, and a third is for Anthony Fiata, the leader of the Zeigler expedition. Osbon said that he was not at liberty to tell for whom the other three were planned, but said the three were intended for three distinct expeditions.

Admiral Osbon said that the autos were either copied after or an improvement on an automobile built by a letter carrier in Atlanta.

"He has a route covering hundreds of miles, near the arctic region," Admiral Osbon is quoted as saying, "and he navigates immense bodies of water with his machine, for it is a water traveler as well as an ice trotter. The revolving gear which turns the great wheels, while the machine is on solid ice or land, is fitted with blades which drop down and propel the craft, when open water is encountered."

Mr. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did, I could not stand straight. I took Foley's Kidney Cure. One dollar bottle and part of the second cured me entirely." Foley's Kidney Cure works wonders where others are total failures. T. F. Laurin.

#### CONFERENCE OF TRUSTS.

NEW YORK, April 9.—The opinion of Ralph M. Easley, secretary of the national civic federation; the national conference on the combinations and trusts to be held in Chicago, May 23 to 31, will be one of the most important and far reaching ever held under the auspices of the federation. He says that at least 500 representative Americans are expected to participate in the deliberations. The executive council of the federation has already invited the President and the governors of the various states to appoint delegates.
